Devi, 1994-04-16 Precocious a poet a philosopher's daughter Maitreyi Devi was sixteen years old in 1930 when Mircea Eliade came to Calcutta to study with her father More than forty years passed before Devi read *Bengal Nights* the novel Eliade had fashioned out of their encounter only to find small details and phrases even her given name bringing back episodes and feelings she had spent decades trying to forget *It Does Not Die* is Devi's response In part a counter to Eliade's fantasies the book is also a moving account of a first love fraught with cultural tensions of false starts and lasting regrets Proud of her intelligence Maitreyi Devi's father had provided her with a fine and for that time remarkably liberal education and encouraged his brilliant foreign student Eliade to study with her We were two good exhibits in his museum Devi writes They were also as it turned out deeply taken with each other When their secret romance was discovered Devi's father banished the young Eliade from their home Against a rich backdrop of life in an upper caste Hindu household Devi powerfully recreates

the confusion of an over educated child simultaneously confronting sex and the differences not only between European and Indian cultures but also between her mother's and father's view of what was right Amid a tangle of misunderstandings between a European man and an Indian girl between student and teacher husband and wife father and daughter she describes a romance unfolding in the face of cultural differences but finally succumbing to cultural constraints On its own *It Does Not Die* is a fascinating story of cultural conflict and thwarted love Read together with Eliade's *Bengal Nights* Devi's romance is a powerful study of what happens when the oppositions between innocence and experience enchantment and disillusion and cultural difference and colonial arrogance collide In two novels written forty years apart a man and a woman tell stories of their love Taken together they provide an unusually touching story of young love unable to prevail against an opposition whose strength was tragically buttressed by the uncertainties of a cultural divide Isabel Colegate New York Times Book Review Recreates with extraordinary vividness the 16 year old in love that she had been Maitreyi is entirely disarmingly open about her emotions An impassioned plea for truth Anita Desai New Republic Something between a reunion and a duel Together they detonate the classic bipolarities East West life art woman man Richard Eder New York Newsday One good confession deserves another Both books gracefully trace the authors doomed love affair and its emotional aftermath Nina Mehta Chicago Tribune

Literary Couplings Marjorie Stone, Judith Thompson, 2007-07-02 This innovative collection challenges the traditional focus on solitary genius by examining the rich diversity of literary couplings and collaborations from the early modern to the postmodern period *Literary Couplings* explores some of the best known literary partnerships from the Sidneys to Boswell and Johnson to Sylvia Plath and Ted Hughes and also includes lesser known collaborators such as Daphne Marlatt and Betsy Warland The essays place famous authors such as Samuel Coleridge Oscar Wilde and William Butler Yeats in new contexts reassess overlooked members of writing partnerships and throw new light on texts that have been marginalized due to their collaborative nature By integrating historical studies with authorship theory *Literary Couplings* goes beyond static notions of the writing couple to explore literary couplings created by readers critics historians and publishers as well as by writers themselves thus expanding our understanding of authorship **Modern Indian**

Literature as Cosmopolis Didier Coste, 2024-10-09 This book redefines modern Indian literature from a cosmopolitan comparative perspective inclusive of literature in English from India and the diaspora in native languages and works by non Indians It shows how since the mid 19th century Indian literary modernity pursued the conjunction of the sensuous and ethical spiritual that characterized its three traditions Sanskritik Persian and folk culture while the encounter both receptive and oppositional with the West vastly expanded the Indian literary sphere Aesthetics and ethics are not antithetical in the Indian cultural space but the quest for an exclusive Indian identity versus universalist approaches offsets concerns for social justice as well as enjoyable embodied communication The literary constellation in many languages now formed in and around India can be better apprehended as a virtual Cosmopolis a commonwealth of elaborate emotions The versatile figure of
