**Scapegoats** Jennifer Garcia Bashaw, 2022-05-24 Scapegoats are innocent victims who have experienced blame and violence at the hands of society Ren Girard proposes that the Gospels present Jesus as a scapegoat whose innocent death exposes how humans have always created scapegoats This revelation should have cured societal scapegoating yet those who claim to live by the Gospels have missed that message They continue to scapegoat and remain blind to the suffering of scapegoats in modern life Christians today tend to read the New Testament as victors not as victims The teachings and actions of Jesus thus lose much of their subversive significance The Gospels become one harmonized story about individual salvation rather than distinct representations of Jesus's revolutionary work on behalf of victims Scapegoats revisits the Gospel narratives with the understanding that they tell scapegoats stories and that through those stories the kingdom of God is revealed Bashaw goes beyond Girard's arguments to show that Jesus's whole public ministry not only his death combats the marginalization of victims These scapegoat stories work together to illuminate an essential truth of the Gospels that Jesus

modeled a reality in which victims become survivors and the marginalized become central to the kingdom **Holding Up Half the Sky** Graham Joseph Hill, 2020-04-30 Women have played significant roles in ministry and leadership throughout the history of the church and the pages of the Bible Today women make up more than half the church and do much of the mission ministry and discipleship in the life of the church But women have often been held back from ministry roles Graham Joseph Hill outlines the biblical vision for women in ministry and leadership He offers a biblical and passionate call for women to be released to teach to lead to preach to serve to pastor and to minister in every area of the church The Bible paints a radical vision of women empowered and emboldened for full ministry participation in Christ's church The biblical vision for women and for their role as teachers witnesses disciplers and leaders transforms not only personal lives but also the church and the world This book offers a biblical case for women teaching and leading in the church Hill then explores practical ways that we can empower and release more female leaders in the church and ways that we can amplify the voices and honor the gifts of women in the way Jesus intended Together women and men can revitalize the church and renew the world **Dictionary of Paul and His Letters** InterVarsity Press, 2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume's breadth and usefulness for scholars pastors and students today Paul Distilled Gary W. Burnett, 2021-02-02 What the apostle Paul has to say is transformative and utterly inspiring But too often he is clouded in complicated explanations and murky misunderstandings Paul Distilled gets to the essence of Paul and uncovers what is at the heart of his thinking and why he's had such an impact on the world since the first century until today Drawing on many years of teaching and study of Paul's writings Gary Burnett explains the driving forces behind the apostle's thinking from the letters he wrote to groups of Jesus followers dotted around the Roman empire addressing the real issues they faced and shows why this matters today A study guide with each chapter will enable church groups to get to grips with the life changing potential of understanding Paul better *Unveiling Paul's Women* Lucy Peppiatt, 2018-01-30 Whether people realize it or not the ideas in 1 Corinthians 11:2-16 have had a huge impact on the role of Christian women in the church through the centuries These fifteen verses have shaped worship practices church structures church leadership marriages and even relationships between men and women in general They have contributed to practices that have consistently placed women in a subordinate role to men and have been used to justify the idea that a woman should not occupy a leadership or teaching position without being under the authority or covering of a man It is strange therefore that academics and pastors alike continue to note how confusing and difficult it continues to be to make sense of these very verses In this little book Lucy Peppiatt not only highlights the problems associated with using this text to justify the subordination of women but offers a clear and plausible re-reading of the text that paints the apostle Paul as a radical visionary church planter who championed women in all forms of leadership **The Blue Parakeet, 2nd Edition** Scot

McKnight,2018-06-05 How are we to live out the Bible today In this updated edition of The Blue Parakeet you ll see how Scripture transcends culture and time and you ll learn how to read God s Word in a fresh way The gospel is designed to be relevant in every culture in every age in every language It s fully capable of this and we are called to discern how God is speaking to us today But applying its words and directions on how to live our lives is not always easy Professor and author of The King Jesus Bible Scot McKnight challenges us to rethink how to read the Bible not just to puzzle it together into some systematic belief or historical tradition but to see it as an ongoing Story that we re summoned to enter and to carry forward in our day Throughout the Bible God speaks in each generation in that generation s ways and beckons us to be a part of his amazing story The Blue Parakeet is a profound meditation on how God is speaking to our generation through His Word

*Modern Virtue* Emily Dumler-Winckler,2022 Modern Virtue is the first book length treatment of Mary Wollstonecraft s theology and religion the first to show the centrality of each for her account of the virtues and revolution and the first by a scholar in these fields While Wollstonecraft is canonical in many other fields she is mostly unknown or ignored in virtue ethics theology and religion This book remedies this omission and the prevalent narratives sustained by it in the latter as well as predominant views of her religion and virtue in the former Christianity Contested Paul Copan,Stewart

Tucker,2014-05-27 Though we often focus more on the male heroes and villains in the Bible the pages of Scripture are brimming with women who are edgy strong willed and controversial Far from the stereotype of sweet and submissive many women of the Bible steal the show despite being cast in the supporting roles What parts did these women have in the vast family of God What challenges did they face that we face even today And what can we learn from them if we allow them to be the three dimensional people they really were In Dynamic Women of the Bible the lives of more than fifty biblical women are summoned from their graves to live again by the author who brought you The Biographical Bible Scripture references biographical profiles sidebars featuring twenty additional women of the Bible discussion questions and life applications make this book perfect for small
