**Creating K-Pax -Or- Are You Sure You Want to Be a Writer?** Gene Brewer,2005-12-12 In November 2001 I was sued along with almost everyone else connected with the film version of my novel K PAX for plagiarizing an Argentinean movie called Man Facing Southeast the suit was later dismissed At about the same time dozens of letters arrived from fans asking where the ideas for the book film originated Together these developments led me to ponder how my difficult life had led me to become a writer and how I came to write K PAX in particular The resulting memoir includes excerpts from unpublished work and ends with a chapter of advice for other would be novelists *Sequels* Janet G. Husband,Jonathan F.

Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series *K-Pax III* Gene Brewer,2002 The final instalment of the K Pax trilogy and prot is back Robert has returned to a catatonic state on the ward at the Manhattan Institute of Psychiatry This visit to Earth prot promises will be his last But prot claims he will take 100 beings with him so everyone is clamoring to be chosen **3 Early Novels** Gene Brewer,2007-11-28 Ralph is the story of a typical Midwestern U S family into whose lives is thrust a misfit a boy who was born flat and resembles a fish Ralph is a throwback to the time when human beings made a wrong turn and separated themselves from the other animals In Breakthrough Arthur M Raintree Ph D achieves his lifelong desire to become a research scientist but discovers that his work is of far less importance than living in peace and love with his family In the year 2020 the government has become a wasteland of military and religious righteousness There is only one person who can save us from self destruction before it is too late a genius who is prepared to die in order to accomplish this revolution

**Wrongful Death** Gene Brewer,2006-05-04 Thirteen year old diabetic Angela Calvecchi has died following treatment with the experimental drug Mercipine Despite the overwhelming odds against winning the case her parents decide to file a wrongful death suit against the giant corporation Mercer Pharmaceuticals In state civil court Attorney Marcus Allen Jr and his partner Candace White argue that the outdated procedures used by the company and approved by the U S Food and Drug Administration were inadequate to ensure the safety of the drug for use in clinical trials This gripping courtroom drama will have you turning the pages until a verdict is rendered **Culture, Madness and Wellbeing** Jason Lee,2023-12-12 This book is a unique study of the historical theoretical and cultural interpretations of madness including interviews with those who have experiences of madness It takes a transdisciplinary approach employing historical psychological and sociological perspectives through an intersectional lens This work explains how the prioritization of thinking over feeling in Western thought means the transrational imagination has frequently been negated in tackling mental health with detrimental results This book therefore examines creative media especially film as a transrational form of human expression for healing and wellbeing along with television theatre social media music and computer games Madness with regards to gender sexuality adolescence and class in media and film is interrogated as well as madness and race through a focus on colonialism post

colonialism and psychiatry It analyses group psychosis including celebrity culture and the madness of leaders and gurus This book challenges the lasting influence of the Age of Reason by furthering our understanding of the value of transrationality and the diverse ways of being human *Specious Science* C. Ray Greek, Ray C. Greek, Jean Swingle Greek, D.V.M., Jean Swingle Greek, 2003-10-28 This book provides the scientific underpinning for the Greeks philosophy of do no harm to any animal human or not by examining paediatrics diseases of the brain new surgical techniques in vitro research the human genome and proteome projects
