Kid Moves On By Kevin Lewis:

The Kid Moves on Kevin Lewis,2006 When Kevin Lewis wrote *The Kid* the bestselling story of his brutal childhood he believed he could put it all behind him But it wasn't to be quite that straightforward Vivid visions of the beatings and torture he endured from Gloria his unstable mother and Dennis his alcoholic father rose up and engulfed him and he was forced to face his demons once more But his own inner turmoil paled in insignificance when history started to repeat itself within the Lewis family Kevin describes his anger and disbelief at learning that five of his nieces and nephews have been taken into care Then comes the horrifying news that Gloria has applied to have them live with her The Kid [Film Tie-in] Kevin Lewis,2010-09-02 Kevin Lewis never had a chance Growing up on a poverty stricken London council estate beaten and starved by his parents bullied at school and abandoned by social services his life was never his own Even after he was put into care he found himself out on the streets caught up in a criminal underworld that knew him as *The Kid* Yet Kevin survived to make a better life for himself and has become a bestselling novelist in his own right *The Kid* and *The Kid Moves On* published together for the first time in this film tie in edition are his heartbreaking and inspiring true story *Moving on (Trade Paperback)* Kevin Lewis,2005 A sequel to *THE KID* where Kevin Lewis takes us through his journey of writing the novel securing the book deal with Penguin and facing the enormous press interest He also takes us through the reactions of his various family members most importantly his parents Gloria and Dennis both of whom he has meetings in the book He tells us of the reactions from family friends from teachers and foster parents who tried to help him in the past and who have made contact after reading the book And he also touches on his concerns about the welfare system even now as the 5 children of one of his sister's are taken into care and almost handed straight into the arms of Gloria And lastly he touches on his plans and hopes for the future his ambitions to move on from his terrible beginnings and really make something of his life
