Dugard presents a historical account of the events leading up to the crucifixion of Jesus of Nazareth. The book intertwines Jesus's life story with the political and social dynamics of the era, including the reign of Herod the Great and the rule of Julius Caesar. It details Herod's fear of a prophesied new king of the Jews leading to the massacre of male infants in Bethlehem and the Magi's visit to the infant Jesus, avoiding Herod's deceitful request to reveal Jesus's location.

Moore, 2024-11-01 In this eye opening exploration discover how Moses ancient prophecies on Israel the coming of Jesus and the End Times have striking connections to modern day events Delve into how these timeless predictions align with the unexpected rise of Donald Trump Nostradamus cryptic visions and the eerie legacy of the Kennedy curse With meticulous research this book unravels a complex web of prophetic clues leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved Prepare to be astonished as you uncover the undeniable threads that tie together history s greatest mysteries with prophetic foresight Is it coincidence or is there a higher plan at work      *A Reader's Guide to Bill O'Reilly's Killing Jesus* Patrick Goggins, 2018-06 Two stories emerge when discussing Bill O Reilly and Martin Dugard s Killing Jesus A History O Reilly 2013 one is narrative the other is scriptural From a scriptural perspective Killing Jesus is a retreat back to the so called second quest studies of the historical Jesus First quest studies were fantastic narratives loosely based on fact In second quest studies like Killing Jesus the author defers to the canonical gospels In third quest studies such as Reza Aslan s Zealot The Life and Times of Jesus of Nazareth Aslan 2013 the author may defer to non canonical works both contemporary and modern The result is that the

Jesus of Nazareth depicted in Killing Jesus differs little from the Jesus depicted in the bible which is likely how O Reilly's readers would prefer to know Jesus. As a result Killing Jesus is a successful exercise in worldview maintenance. From a narrative perspective Killing Jesus is a testosterone fueled romp through first century Judea complete with whips prostitutes pederasts STDs belly dancers corrupt officials and tragic endings. Children are hacked to death slaves are cast off cliffs for fun brothers steal from brothers. This is not the reverential stuff one typically sees in a story about the historical Jesus but this is Bill O Reilly who is to Fox News what Hunter Thompson was to Rolling Stone magazine. This guide has three parts. Part I is a detailed discussion of some of the more controversial passages in Killing Jesus. Part II is a survey of some of the early criticism of the book. Part III is an independent criticism of Killing Jesus. SPOILER ALERT This guide discusses many of O Reilly and Dugard's observations and conclusions. If you are reading or intend to read Killing Jesus do yourself a favor close this window open a second tab and purchase the book. Also as a preface please note that this guide will refer to O Reilly as the author of Killing Jesus. Clearly Dugard did most of the actual research and writing. His omission here is not a slight it simply acknowledges the reality that the book would not have the high profile it now has without O Reilly's imprimatur. Killing Jesus is currently 2 on the New York Times combined print and e book non fiction list. Also please note this guide is of the original edition of the book a new unabridged version is currently available. Bible citations are to the New Revised Standard Version. In Sheep's Clothing George Yancy, Bill Bywater, 2023-11-20. From Megyn Kelly's claim that Jesus is white to former President Trump's claim that he is the chosen one or the King of Israel there is serious trouble in paradise. Contemporary manifestations of white Christian nationalism are deeply entangled in political issues from women's political rights over their own bodies to the rejection of Critical Race Theory. CRT. Carrying Christian signs and crosses protestors at the Capitol insurrection on January 6th were not only fighting with a sense of white nationalist duty but fighting with a religious zeal making this a pressing moment in the current time to which this volume speaks. This edited collection invites scholars share frustration anger interrogation and conceptual clarity with readers regarding this toxic form of Christianity that fights not in the name of love but in the name of political domination and out of deep fear and hatred. Attention is also brought to Christianity's counter voice one predicated upon love and its effectiveness to resist not just deep political pro white forces at work but also its capacity to focus emphasis upon Christian love. The text is designed to speak to the contemporary moment with respect to the explicit and implicit ways in which white nationalism and white Christianity continue to be entangled and reinforce one another. Contributors are asked to articulate what is behind this racially politically ideologically psychically charged whiteness of Christianity in the US and to articulate what is beyond the whiteness of Christianity for both Christians and non Christians alike concerned with the rise of white Christian nationalism.

Price, 2014-09-02 Killing Jesus the bestselling blockbuster by Bill O Reilly claims to be a purely historical account of the events in the life of Jesus leading up to his crucifixion New Testament scholar Robert M Price a member of the Jesus Seminar shows how unfounded this claim is in this critical review of O Reilly's work In fact he judges the book to be the number one source of misinformation on Jesus today Ignoring over one hundred years of New Testament scholarship O Reilly and his coauthor Martin Dugard have produced what Price describes as a Christian historical thriller that plays fast and loose with the facts Price goes through the key events of Jesus' later life as described in the gospels and retold in Killing Jesus painstakingly showing in each case what scholars know and don't know Using humor down to earth analogies and witty sarcasm not unlike O Reilly's own interview style Price makes it clear that O Reilly's book is more historical novel than a work of serious history By cobbling together the four gospel stories ignoring the contradictions and adding plenty of quasi historical background embellishments O Reilly and Dugard have created a good narrative that resonates with a lot of Christians Entertaining reading this may be but history it is not Killing History provides lay readers with an accessible introduction to New Testament scholarship while showing the many problems in O Reilly's book
