Life Is What You Make It By Preeti Shenoy:

Life is What You Make It Preeti Shenoy, 2019-07-12 What would you do if destiny twisted the road you took What if it threw you to a place you did not want to go Would you fight would you run or would you accept Set across two cities in India in the early eighties Life is What You Make it is a gripping account of a few significant years of Ankita s life Ankita Sharma has the world at her feet She is young good looking smart and tones of friends and boys swooning over her She also manages to get into a premier management school for her MBA Six months later she is a patient in a mental health hospital Life has cruelly and coldly snatched that which meant the most to her and she must now fight to get it all back It is a deeply moving and inspiring account of growing up of the power of faith and how determination and an indomitable spirit can overcome even what destiny throws at you A tale at its core a love story that makes us question our beliefs about ourselves and our concept of sanity and forces us to believe that life is truly what one makes it
