Life Knocks By Craig Stone:

The Squirrel that Dreamt of Madness @craigstone_,2016-04-22 What do you do when the voice in your head is telling you to walk out of your job and follow your dreams What would happen if you listened to the voice in your head What if you walked out of your job left your home and a few hours later found yourself jobless and homeless sitting on a park bench with a pad and a pen and a desperate hope that the book you are going to write in the park will eventually change your life That's what Craig Stone professional nobody did This is the story he made up to keep his sanity while living alone in Gladstone Park North London as he came to terms with the consequences of making bold decisions He sat under a tree writing about what it was like to be living under a tree Craig was determined to write a book that would get him out of the park a book so original it would be published and change the course of his life *The Squirrel that Dreamt of Madness* is his story An imaginative mix of fantasy and his own experiences this funny and sometimes poignant tale will appeal to those looking for an original and edgy take on autobiographical writing One of our favourite guests of the year and we seriously say that to very few people The BBC Comedy Caf *The Dundee International Book Prize-2012 Shortlist* Suzanne Hocking,2012-05-14 The Dundee International Book Prize has established itself as the UK's premier prize for debut novelists The 10 000 cash award together with publication by Cargo Publishing make The Dundee International Book Prize highly valued by tomorrow's great new writers seeking to break into the publishing world The award now running for the eighth time is for an unpublished novel on any theme and in any genre Dundee is a city which embraces writers A L Kennedy was born and bred in the city and Douglas Dunn Kate Atkinson John Burnside Bill Duncan and Rosamunde Pilcher are amongst the glitterati who have drawn on the City of Discovery for their inspiration over the last two decades The 2012 shortlist boasts talented debut authors from as far afield as the New Zealand and the USA **Life Knocks , Grimm Fairy Tales Volume 5** Joe Tyler,Ralph Tedesco,Raven Gregory,2009-04-21 Fairy Tales and Fables have been passed down from generation to generation throughout the world for hundreds of years But there has never been an adaptation quite like this The Little Mermaid wants nothing more than to fall in love with a prince but the deal she makes with a mysterious being will prove to be a terrible mistake Then three blind mice concoct a plan to outsmart an innocent old lady but quickly learn that appearances can many times be deceiving And when King Midas is given the power to turn everything he touches into gold what sounds like a blessing is really just a horrific curse Collects issues 25 30 of the hit Grimm Fairy Tales series complete with a bonus short story **The Housewife Assassin Gets Lucky** Josie Brown,Deborah Coonts,2018 When two hot haute heroines team up to solve a murder neither can afford to be fashionably late No one expected to find a dead girl in the Royal Suite at the Babylon's posh London club Who would kill her And why With little to go on and no friends to rely on Lucky O Toole the Babylon's Chief Problem Solver is dispatched to well to solve the problem But she needs to be in Paris Her fianc and worse his mother are counting on her presence at a party in her honor in seventy two hours more or less With a personal life time bomb ticking Lucky hopes for a
