Collected Poems and Drawings of Stevie Smith Stevie Smith, 2015-10-15 When Stevie Smith died in 1971, she was one of the twentieth century's most popular poets; many of her poems have been widely anthologised and *Not Waving but Drowning* remains one of the nation's favourite poems to this day. In this wholly new edition of her work, Smith scholar Will May collects together the illustrations and poems from her original published volumes for the first time, recording fascinating details about their provenance and describing the various versions Smith presented both on stage and page. Including over 500 works from Smith's 35-year career, *The Collected Poems and Drawings of Stevie Smith* is the essential edition of modern poetry's most distinctive voice. I was much further out than you thought. And not waving but drowning. *Not Waving but Drowning* **The**
