Lost and Found Andrew Clements, 2012-04-17 As two clever boys exploit a clerical oversight each one discovers new perspectives on selfhood friendship and honesty Identical twins Ray and Jay Grayson are moving to a new town Again But at least they ll have each other s company at their new school Except on the first day of sixth grade Ray stays home sick and Jay quickly discovers a major mistake No one knows about his brother Ray s not on the attendance lists and doesn t have a locker or even a student folder Jay decides that this lost information could be very useful And fun Maybe even a little dangerous

Lost and Found Andrew Clements, 2010-05-18 Twelve year old identical twins Jay and Ray have long resented that everyone treats them as one person and so they hatch a plot to take advantage of a clerical error at their new school and pretend they are just one **The Landry News** Andrew Clements, 2012-10-30 NEW STUDENT GETS OLD TEACHER The bad news is that Cara Landry is the new kid at Denton Elementary School The worse news is that her teacher Mr Larson would rather read the paper and drink coffee than teach his students anything So Cara decides to give Mr Larson something else to read her own newspaper The Landry News Before she knows it the whole fifth grade class is in on the project But then the principal finds a copy of The Landry News with unexpected results Tomorrow s headline Will Cara s newspaper cost Mr Larson his job Good Books Matter Larry Swartz, Debbie Nyman, 2008 Based on extensive research on the features that

make children s books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level *Lost & Found* Elizabeth Garner, 2022-09-15 Folk tales take us beyond our own boundaries into unknown lands Yet within these adventures riddles and enchantments we find our common ground and shared humanity Lost always

staying true to tradition while simultaneously speaking to modern times This illustrated collection is another link in the chain between storyteller listener and our shared ancestors tales from the past told to enrich the present and to be carried forward into the future **Extra Credit** Andrew Clements, 2012-03-13 It isn t that Abby Carson can t do her schoolwork She just

doesn t like doing it And in February a warning letter arrives at her home Abby will have to repeat sixth grade unless she meets some specific conditions including taking on an extra credit project to find a pen pal in a distant country Seems simple enough But when Abby s first letter arrives at a small school in Afghanistan the village elders agree that any letters going back to America must be written well In English And the only qualified student is a boy Sadeed Bayat Except in this village it

is not proper for a boy to correspond with a girl So Sadeed s younger sister will write the letters Except she knows hardly any English So Sadeed must write the letters For his sister to sign But what about the villagers who believe that girls should not be anywhere near a school And what about those who believe that any contact with Americans is unhealthy Not so simple But as letters flow back and forth between the prairies of Illinois and the mountains of central Asia across cultural and religious divides through the minefields of different lifestyles and traditions a small group of children begin to speak and listen to one another And in just a few short weeks they make important discoveries about their communities about their world and most of all about themselves
