### **Love Is Not For Cowards By Francis Otieno:**

**Love Is Not for Cowards** Francis Okumu, 2014-04-16 The freshness and uniqueness upon which Francis has used to approach the whole topic of love is simply invaluable This book is simply a must have for any person living today You will only need to go through the first chapter of this book in order to get introduced to what awaits you on the inside Every chapter in this book is memorable and invaluable Some of the priceless lines inside this book include Commitment in most relationships died long ago and instead lack of commitment has reincarnated today into an experienced Goliath in a land where David is already dead and buried Show me anyone who may be willing to face the new Goliath Truth which was once a priceless virtue in most relationships is now in serious comma in intensive care unit And in its place a refined lie has violently been re born True love is now in real tangible danger Lust has become the latest builder s favorite corner stone upon which most relationships are built on No wonder most domestic animals have human being like names If not carefully put under check then these animals may soon take over our matrimonial responsibilities
