Parravano, Roger Sutton, 2012-10-09 Two of the most trusted reviewers in the field join with top authors illustrators and critics in a definitive guide to choosing books for children and nurturing their love of reading A FAMILY OF READERS is the definitive resource for parents interested in enriching the reading lives of their children It is divided into four sections 1 Reading to Them Choosing and sharing board books and picture books with babies and very young children 2 Reading with Them Launching the new reader with easy readers and chapter books 3 Reading on Their Own Exploring what children read and how they read by genre and gender 4 Leaving Them Alone Respecting the reading privacy of the young adult Roger Sutton knows how and why children read He must as the editor in chief of THE HORN BOOK which since 1924 has been America's best source for reviews of books for young readers But for many parents selecting books for their children can make them feel lost Now in this essential resource Roger Sutton and Martha V Parravano executive editor at the magazine offer thoughtful essays that consider how books are read to and then by young people They invite such leading authors and artists as Maurice Sendak Katherine Paterson Margaret Mahy and Jon Scieszka as well as a selection of top critics to add their voices about the genres they know best The result is an indispensable readers companion to everything from wordless board books to the most complex and daring young adult novels The Common Core in Action Deborah J. Jesseman, 2015-06-19 This book addresses Common Core State Standard curriculum resources to assist the school librarian in collaborating with classroom teachers Librarians are being asked to understand the Common Core State Standards CCSS and their implications to programming and instruction as well as to collection development

planning Using lesson plans originally published in School Library Monthly this title builds upon them adding many additional plans that address CCSS issues The plans will help you implement the standards and can also be used as stepping stones to facilitate planning conversations and collaboration with teachers to co teach lessons correlated with the standards The book begins with an overview of the CCSS what they are how are they different from the content standards and what the implications are for schools where the state has adopted them including what the CCSS mean for collection development It then goes on to explore the opportunities the CCSS present for the school librarian looking at how you can become a leader in employing the process The majority of the book is devoted to reproducible lesson plans organized by curricular area or topic and grade level for ease of use

Caring Hearts and Critical Minds Steven Wolk, 2023-10-10 Imagine if going to school meant more than preparing kids for a test teaching a canned curriculum and training students for their future as workers What if school were also about cultivating students to be caring community involved citizens and critical creative thinkers who love to read In Caring Hearts Critical Minds teacher author Steven Wolk shows teachers how to help students become better readers as well as better people I want my students to be thinkers and have rich conversations regarding critical issues in the text and be able to formulate opinions regarding these issues says Leslie Rector a sixth grade teacher who collaborated with Wolk on some of the units featured in this book Wolk demonstrates how to integrate inquiry learning exciting and contemporary literature and teaching for social responsibility across the curriculum He takes teachers step by step through the process of designing an inquiry based literature unit and then provides five full units used in real middle grade classrooms Featuring a remarkable range of recommended resources and hundreds of novels from across the literary genres Caring Hearts Critical Minds gives teachers a blueprint for creating dynamic units with rigorous lessons about topics kids care about sfrom media and the environment to personal happiness and global poverty Wolk shows teachers how to find stimulating real world complex texts called for in the Common Core State Standards and integrate them into literature units I know from experience that a great book changes the reader says Karen Tellez an eighth grade teacher featured in the book For me books have helped me escape fall in love recover from heartbreak and have broken open my mind from the age of twelve I hope my students gain better reading comprehension confidence as readers connections to the characters and events a curiosity for the world and tolerance for others Caring Hearts Critical Minds shows teachers how to turn these hopes and goals into reality

Twain, Alcott, and the Birth of the Adolescent Reform Novel Roberta S. Trites, 2009-11 Trites argues that Twain and Alcott wrote on similar topics because they were so deeply affected by the Civil War by cataclysmic emotional and financial losses in their families by their cultural immersion in the tenets of Protestant philosophy and by sexual tensions that may have stimulated their interest in writing for adolescents Trites demonstrates how the authors participated in a cultural dynamic that marked the changing nature of adolescence in America provoking a literary sentiment that continues to inform young adult literature Both intuited that the transitory nature of adolescence makes it ripe for
