Jay Gladwell, 2008-06 What do you know about Mormons Where did you get your information Is the information you have accurate When a person claims Mormons aren t Christians what he s really saying is Mormons don t believe in the traditional idea of the Trinity Their Jesus is different from our Jesus is the usual response For the Mormons who strive to live their lives in accordance to the Biblical teachings of

Jesus Christ they find the allegation that they aren't Christian as incomprehensible as it is hurtful. Ironically members of The Church of Jesus Christ of Latter-day Saints around the world are admired for their values. Yet their admirers are repulsed by Mormon doctrines at the same time. How is that possible? Where do the Mormon values come from? What is the source of their doctrines? This book attempts to set the record straight as it pertains to some basic Gospel doctrines as taught by The Church of Jesus Christ of Latter-day Saints and how they are scripturally founded in the Holy Bible. This book asks the simple question: What's wrong with Mormons?

Saints: The Story of the Church of Jesus Christ in the Latter Days The Church of Jesus Christ of Latter-day Saints, 2024-10-29. The first three volumes of Saints tell the story of The Church of Jesus Christ of Latter-day Saints from Joseph Smith's First Vision to the dedication of the first temple outside North America. Now the fourth volume carries the story to the present day, recounting the Church's astounding growth and inspired development since 1955. As the book opens, the Church has nine temples and more than one million members. Thousands of missionaries are preaching the restored gospel of Jesus Christ throughout the world. And for the first time in history, sacred saving ordinances are available in multiple languages. But the work of the Lord is not yet done. While many nations kindred tongues and people thirst for restored truth, the world is troubled by war, civil unrest, sickness, hunger, and prejudice. The Latter-day Saints too have much to learn about each other as the Church spreads far and wide, welcoming people from many cultures and traditions. The Lord's command to be one has never been more vital or more challenging for His people to follow. Sounded in Every Ear is the final book in Saints, a new four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, and written under the direction of the First Presidency, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write a history for the good of the church and for the rising generations.

Doctrine and Covenants 69:8 **Ashamed of Joseph** Steven A. Crane, Charles A. Crane, 2011-03-22. Mormon Prophet and Tenth President Joseph Fielding Smith once said: Mormonism as it is called must stand or fall on the story of Joseph Smith. He was either a prophet of God, divinely called, properly appointed and commissioned, or he was one of the biggest frauds this world has ever seen. There is no middle ground. If Joseph Smith was a deceiver who willfully attempted to mislead the people, then he should be exposed, his claims should be refuted, and his doctrines shown to be false. The doctrines of false teachers will not stand the test when tried by the accepted standards of measurement: the Scriptures. Doctrines of Salvation 1:188. Brigham Young, Prophet and Second President, offered this challenge: Well, now examine the character of the Savior and examine the character of those who have written the Old and New Testament, and then compare them with the character of Joseph Smith, the founder of this work, and you will find that his character stands as fair as that of any man's mentioned in the Bible. We can find no person who presents a better character to the world than Joseph Smith. Journal of

Discourses Vol 14 p 203 Combining their research in Mormonism to author this work Charles A Crane and his son Steven A Crane would like to accept the challenge and show why many even among the LDS faith are Ashamed of Joseph

Conviction Without Compromise Norman Geisler, Ron Rhodes, 2008 From the earliest days of the church Christians have struggled with questions related to unity and the handling of doctrinal differences In this book you ll find clear guidance from Scripture about the doctrines on which it s essential for Christians to agree and the doctrines on which believers can graciously agree to disagree This landmark resource will equip you to take an uncompromising stand on the essentials of the faith while promoting love and unity among true believers Book jacket
