but not a lot of clarity Much has been written on the subject biographies autobiographies technical books popular science books and practical manuals but genius in all of its dimensions has yet to be addressed This book seeks to remedy that What follows is a work of significant breadth that hopes to facilitate a nuanced popular understanding of the definition of genius examining all of the main theories and approaches regarding the nature and origin of brilliance the cognitive path that geniuses follow and the difference that exists between geniuses on one side and normal people on the other Pragmatic indications surrounding this issue are also examined regarding such questions as is it possible to become a genius or is genius innate If it is possible what is the path no doubt long and difficult that one must take Is there a method for becoming a genius that can be taught and learned This book will appeal to anyone who has ever contemplated great ideas and works and wondered how they came into being

*The Master Coach* Gregg Thompson, 2017-04-04 Today coaching is recognized to be one of the most effective human resource development processes available and it is becoming increasingly popular in organizations of all sizes Faced with historically low levels of employee engagement as little as 13% according to Gallup's latest survey business leaders see coaching as key to unlocking the human talent creativity and innovation that is hiding in plain sight in their workplaces And rather than bring in external coaches for this purpose they want to integrate coaching into their company culture a 2015 study by the International Coaching Federation ICF and the Human Capital Institute HCI found that 81% of organizations surveyed planned to train managers leaders in coaching skills The Master Coach is written for these leaders and is perfectly positioned to become the definitive book on the topic Drawing on the wealth of experience that has made Gregg Thompson and Bluepoint Leadership Development the choice of numerous Fortune 100 companies it illuminates the essence of what it takes to be a great coach The Master Coach will appeal to leaders at all organization levels showing them how to make a significant shift in their attitudes values and behaviors and become more coach like in all of their daily interactions and conversations The Master Coach is based on the simple but profound 3Cs Coaching Model This proven approach asserts that to master the art of coaching one must have an exemplary Character that invites the trust of others be able to form rapid Connections with others at deeply personal level and have the ability to initiate and guide intense attitude changing Conversations At every step Thompson reminds readers that coaching is not merely about what the coach says or does it is about who he or she is
