Me And Him A Guide To Recovery By Karen Tyrrell:

Me and Him Karen Tyrrell, 2013 *Me and Him A Guide to Recovery* reveals the shock discoveries that cast Karen Tyrrell's first memoir *Me and Her A Memoir of Madness* in a new light. An Australian author and teacher, Karen highlights the crucial role her husband Steve played as carer in her recovery from parent harassment and subsequent mental illness. In this self-help memoir, Karen shares practical mental wellness advice, demystifies meditation, addresses sleep problems, and explains how to beat depression and anxiety. Karen also discloses the dreaded secrets Steve finally revealed to her. On that fateful blue sky day, my life as I knew it fell apart. You better rewrite that memoir of yours. What I'm going to tell you now will change everything. What secrets did Steve finally divulge six years on? What impact did those revelations have on their marriage and Karen's recovery?

Me and Her Karen Tyrrell, 2012 *ME AND HER a Memoir of Madness* reveals how Karen Tyrrell, a dedicated Australian teacher, is repeatedly harassed by parents at her school to breaking point and beyond. In a fit of desperation, she escapes and runs. Police and medical professionals discover her hiding in a lonely motel, forcing her into the frightening world of the psychiatric system. The reader is taken back to the classroom, discovering how the harassment affected Karen as we journey through her gradual decline and disintegration, leading to her incarceration. Later, Karen performs an experiment, purposefully stressing over a disturbed student, keeping herself awake at night all in order to kick-start the creative ideas she craves. Karen reveals her psychic relationship with her psychologist, her pitch-black manic dreams, and her two personas: ME, wife, mother, writer, and teacher; HER, manic psychic healer, to the living, telepathic to the dead, and she's very psychotic. Why did she become so crazy? How did she claw her way back from insanity?
