

THE ROYAL FAMILY

a novel

WILLIAM T.
VOLLMANN

"Vollmann's funky, salivary, spermatic, bloody, tearful novel successfully illustrates his total artistic commitment to embracing raunchy, sacred life in all its holy infamy."

The Royal Family By William T Vollmann:

The Royal Family, 1983 **William T. Vollmann** Michael Hemmingson, 2014-01-10 Talking bugs electricity the founding of empires hobos Nazis whores violence drugs murder secret cabals Heaven Hell William T Vollmann is a writer of enormous novels that are stuffed with entire worlds of creation and destruction This first ever book length critical study traces his career to date with chapters devoted to each of his novels as well as his short stories and major nonfiction Vollmann is a writer of obsessions and this study concentrates on three of them freedom redemption and prostitution while arguing that the author that dwells on them is worthy of being called one of our greatest living American writers Also included are seven interviews spanning the years 1991 2007 that reinforce the persistence of Vollmann's attraction to these themes **William T. Vollmann** Christopher K. Coffman, Daniel Lukes, 2014-12-18 This fascinating massive wide ranging collection that editors Christopher K Coffman and Daniel Lukes have gathered together into William T Vollmann A Critical Companion will soon be recognized as one of those rare critical books for which that egregiously overused term groundbreaking is fully justified Larry McCaffery from the preface of William T Vollmann A Critical Companion The essays in this collection make a case for regarding William T Vollmann as the most ambitious productive and important living author in the US His oeuvre includes not only outstanding work in numerous literary genres but also global reportage ethical treatises paintings photographs and many other productions His reputation as a daring traveler and his fascination with life on the margins have earned him an extra literary renown unequalled in our time Perhaps most importantly his work is exceptional in relation to the literary moment Vollmann is a member of a group of authors who are responding to the skeptical ironies of postmodernism with a reinvigoration of fiction's affective possibilities and moral sensibilities but he stands out even among this cohort for his prioritization of moral engagement historical awareness and geopolitical scope Included in this book in addition to twelve scholarly critical essays are reflections on Vollmann by many of his peers confidantes and collaborators including Jonathan Franzen James Franco and Michael Glawogger With a preface by Larry McCaffery and an afterword by Michael Hemmingson this book offers readings of most of Vollmann's works includes the first critical engagements with several key titles and introduces a range of voices from international Vollmann scholarship **William T. Vollmann: Selected Interviews** Scott Rhodes, 2015-08-18 This first ever collection of selected interviews with one of America's most prolific and eclectic authors William T Vollmann Editor Scott Rhodes collects eighteen interviews that covers the span of this important writer's expansive career The Mourning After Neil Edward Brooks, Josh Toth, 2007 Have we moved beyond postmodernism Did postmodernism lose its oppositional value when it became a cultural dominant While focusing on questions such as these the articles in this collection consider the possibility that the death of a certain version of postmodernism marks a renewed attempt to re negotiate and perhaps re embrace many of the cultural literary and theoretical assumptions that postmodernism seemingly denied outright Including contributions from some of the leading

scholars in the field N Katherine Hayles John D Caputo Paul Maltby Jane Flax among others this collection ultimately comes together to perform a certain work of mourning Through their explorations of this current epistemological shift in narrative and theoretical production these articles work to get over postmodernism while simultaneously celebrating a certain postmodern inheritance an inheritance that can offer us important avenues to understanding and affecting contemporary culture and society

Conversations with William T. Vollmann Daniel Lukes,2020-01-27 Across fiction journalism ethnography and history William T Vollmann s oeuvre which includes a prostitution trilogy a septology Seven Dreams about encounters between first North Americans and European colonists and a more than three thousand page philosophical treatise on violence is as ambitious as it is dazzling Conversations with William T Vollmann collects twenty nine interviews from early press coverage in Britain where his career first took flight to in depth visits to his writing and art studio in Sacramento California Throughout these conversations Vollmann b 1959 speaks with candor and wit on such subjects as grief and guilt in his work his love of guns and his experience of war the responsibilities of the artist as witness the benefits of looking out into the world beyond the confines of one s horizon the limitations of what literature can achieve and how we can speak to the future Bringing to the fore several expanded unpublished and hard to find interviews this volume offers a valuable set of perspectives on a uniquely rewarding and sometimes overwhelming writer On the road promoting his books or in a domestic setting Vollmann comes across as reflective and humane humble in his craft despite deep dedication to his uncompromising vision and ever armed with a spirit of mischief and capacity to shock and unsettle the reader *New Media and the Transformation of Postmodern American Literature* Casey Michael Henry,2020-08-20 How has American literature after postmodernism responded to the digital age Drawing on insights from contemporary media theory this is the first book to explore the explosion of new media technologies as an animating context for contemporary American literature Casey Michael Henry examines the intertwining histories of new media forms since the 1970s and literary postmodernism and its aftermath from William Gaddis s J R and Bret Easton Ellis s American Psycho through to David Foster Wallace s Infinite Jest Through these histories the book charts the ways in which print based postmodern writing at first resisted new mass media forms and ultimately came to respond to them [The Art of the City](#) Philippe Birgy,2010-02-04 **The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set** Brian W.
