Superintendent of Documents,1993 Now Is Then Marvin Heiferman,Batchen Geoffrey,N.M. West,2008 Deceptive in their ease of creation diminutive size and sheer abundance snapshots are often thought of as the most innocent type of photography But snapshots are complex and willful pictures premeditated fussed over and often predetermined The postures we adopt the gestures we pantomime the exaggerated facial expressions we compose and try to hold for a split second are all meant to express the emotional weight of a certain moment In a time when digital cameras make photography all too easy it is fascinating to look back on a day when image making was more deliberate Now is Then features images from the 1920s

through the 1960s the golden age of snapshot photography The photos quirky elegant heartbreaking and heart warming both celebrate and question the conventions of snapshot photography Texts by well known visual culture critics offer fresh perspectives on the snapshots and their power over us Unlike previous explorations of vernacular photography Now Is Then takes a step forward to look at the broader cultural impact of snapshots why we make them how we use them why they become relics and most importantly what they reveal about us

The Limits of Community Policing

Luis Daniel Gascón, Aaron Roussell, 2019-07-23 A critical look at the realities of community policing in South Los Angeles The Limits of Community Policing addresses conflicts between police and communities Luis Daniel Gascón and Aaron Roussell depart from traditional conceptions arguing that community policing popularized for decades as a racial panacea is not the solution it seems to be Tracing this policy back to its origins they focus on the Los Angeles Police Department which first introduced community policing after the high profile Rodney King riots Drawing on over sixty interviews with officers residents and stakeholders in South LA's Lakeside precinct they show how police tactics amplified rather than resolved racial tensions complicating partnership efforts crime response and prevention and accountability Gascón and Roussell shine a new light on the residents of this neighborhood to address the enduring and frequently explosive conflicts between police and communities At a time when these issues have taken center stage this volume offers a critical understanding of how community policing really works
