The Great Luna s words ring true for every member of the Romanian pack Not only the wolves but for all those who stand in defense of virtue purity and righteousness in a world plagued with monsters hell bent on destroying every good in their path Time and time again the Great Luna s warriors have faced depraved adversaries and each time they ve risen to the challenge With Fane as their leader and members of every supernatural race willing to follow him they will once again stand in the gap for those who cannot stand themselves protecting those who are ignorant of the dangers all around them The Order of the Burning Claw has been dealt a near fatal blow But this has only made them more dangerous like a cornered wolf injured and desperate Alston the former high fae and leader of the Order continues to wage war on Fane and his allies Cain the vampire king has other plans and they no longer include membership in the crumbling faction He has discovered some powerful new allies the very humans he once attempted to subjugate Could they unwittingly be the key that allows him to put finally eliminate all competition for rule of the supernatural races In the end one species will reign supreme One king will stand victorious The rest will bow or die **The Hybrid Rule** Quinn Loftis,2023-03-28 So many impossibly powerful foes have

opposed the wolves and their allies over the years Evil witches warlocks fae elves and alphas just to name a few And all have found the pack too strong to break But the foe hellbent on taking down the pack now the vampire king Cain has a plan that might finally tip the balance of power away from the wolves In the middle of the desert Cain works desperately to find a way to mix the blood of wolves and vampires While most find the idea reprehensible Cain believes it is the key to his victory He imagines an army of unstoppable hybrids with the combined power of the vampires and the Canis lupus Such a force would be unstoppable even for the powerful of alpha of alphas Fane Lupei And Cain just might have found the secret ingredient necessary to bring his plans to fruition *Piercing Silence* Quinn Loftis,2015-06-12 It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn t complaining about that she spends her time commenting on how Jacque s butt is getting wider by the minute Jacque doesn t know it but the reprieve was about to be over She and Fane thought his demons had been dealt with but the nightmares are back and the In Between is once again ripping a hole inside of her mate Jacque can t stand to see him hurting She can t stand knowing that in some way she was responsible for his struggle because she after all was the subject of his pain from the In Between She ll do anything to stop his turmoil So she makes a desperate decision to do what she thinks her mate needs or doesn t need Others will call it insane Jen will add her own creative

descriptions including expletives thrown in for added effect Whatever you call it Jacque calls it an answer to the darkness that is slowly consuming her mate She knows that if Fane has any idea of what she has planned he would chain her to his side So naturally she does what any female Canis lupus would do in her shoes she shuts down the bond and prays that no one gets in her way She knows he might never forgive her but then if her plan works he won't even remember her name
