I wasn't just complacent. I was blind. Jane Berry has always dreamed of moving to the country. When she uproots her family and takes them to live in a rural paradise at first it all seems perfect. She has the house and the space she always longed for and is determined to make a better life for herself and her children. But when her marriage comes under pressure the dream starts to fall apart. A seemingly promising new friendship shows its dark side and Jane finds her life spiralling out of control. Then one night a line is crossed that threatens to ruin her and break apart her family forever. **The**
