He really enjoyed baseball. When he graduated from high school, he went into the United States Navy. He worked on submarines and enjoyed it. He also worked on giving schools with large African American populations more money to operate.

After he was the President, he continued to help people around the world. He traveled for many reasons. He wanted to promote peace. He also worked to treat and remove diseases. In 1982, he established the Carter Center. The purpose of the **Carter Center** was to **promote** human rights around the world. Promote means to support. He also helped to form the Habitat for Humanity. The primary focus of the **Habitat for Humanity** is to help people get safe, affordable housing.
