Kaplan,2009-07-15 We all heard of the crash at Roswell and most of us heard and read regarding the subject of alien abductions in one form or another For many of us who attended Bible study or religious schools we learned of the fallen angels which sometimes are referred to as the Nefilim We learned about Noah s ark Moses and his brother and spokesman Aaron and the pyramids And in the twentieth century we all know about the two atomic bombs one that was dropped over Hiroshima and the other dropped over Nagasaki in Japan at the end of World War II But until you read in simple English without using any fancy math formulas to confuse you until you read this book you ll never know the truth the plain truth as it occurred and now as I see it after I interpreted certain records including some parts of the Bible that allegedly may be I repeat may be incomplete due to missing information that we must now be aware of and need to know To write this book I researched many sources of information read the works of such great writers such as Zecharia Sitchin Michael Tsarion Glenn Kimball Lynn Marzulli Patric Heron and more reviewed all the records available to me from other numerous books and many Internet sites television shows and from listening to many very popular midnight radio talk shows **The Suppressed**
