The Infinity Concerto By Greg Bear:

The Infinity Concerto Greg Bear, 1988 **The Infinity Concerto** Greg Bear, 2014-11-27 Michael Perrin wants to live the simple life of an aspiring poet in Los Angeles. However, when he receives a key and a piece of music called The Infinity Concerto, Michael's life becomes anything but simple. Soon he is whisked away to the land of the Sidhe, dangerous elves in a tentative truce with humans. Barren and stark, this world is anything but the pretty, pretty land of faerie tales. Drafted into learning the physical and mental skills of magic, Michael discovers his role in a much larger history of magic and music in both the Sidhe's world and ours. Can he survive the pitched battle? Will Michael be the answer to finally uniting the elder races?

Songs of Earth and Power Greg Bear, 2018-04-17 Music, myth, and magic mix in this two-volume fantasy masterpiece by a New York Times bestselling author that is a joy to read. Publishers Weekly, Hugo and Nebula Award-winning author Greg Bear explores the power of music to open a portal between worlds in this pair of brilliantly imagined fantasy novels. The Infinity Concerto: Following the instructions of a virtuoso composer whose controversial Concerto Opus 45 is actually a song of power, young poet Michael Perrin passes through a gateway between Earth and the Realm of the Sidhe, dark where faeries reign by rule of magic, and Michael's epic journey begins. The Serpent Mage: After five years trapped in the Realm of the Sidhe, dark, Michael has returned home to Los Angeles. But the song of power has weakened the veil between the human and faerie worlds, and the Sidhe have followed him to the other side.

The Infinity Concerto Greg Bear, 2014-04-01 Music, myth, and magic mix in this tale of a melody not meant for human ears from the New York Times bestselling and award-winning author of Darwin's Radio. Michael Perrin is an aspiring poet struggling to express the chaotic cadences of his thoughts on paper. He finds a kindred spirit in Arno Waltiri, the film score composer behind several of Michael's favorite classic movies. The maestro's greatest piece, however, was performed in front of a live audience only once: The concerto Opus 45. Infinity left its listeners entranced, altered to the very core of their souls. Waltiri's composition is a song of power. Never meant to be heard by human ears, its melody is as captivating as a siren's call; its notes ring out like a death knell, and its rhythms shake the very foundations of reality. The music's otherworldly tones have led Michael through the gate between Earth and the Realm of the Sidhe, dark, where faeries reign by rule of magic, and where Michael must find his muse if he's ever to return home. The Infinity Concerto is a fantasy masterpiece by the Hugo and Nebula Award-winning author of the Forerunner Saga, Eon, and other imaginative classics.

Dead Lines Greg Bear, 2017-08-22 From a New York Times bestselling author, a new kind of phone awakens the dead in this technological horror novel reminiscent of Koontz at his best. Booklist: Ever since his life was shattered by the kidnapping and murder of his young daughter, Peter Russell has become a ghost of a man. Once a successful director of adult films, he has been reduced to running questionable errands for an eccentric California millionaire. But everything changes when a Los Angeles startup offers him the opportunity to create promotional videos for their revolutionary new technology, Trans.
