The Last Hunter - Descent (Book 1 of the Antarktos Saga) Jeremy Robinson, 2011-03 I've been told that the entire continent of Antarctica groaned at the moment of my birth The howl tore across glaciers over mountains and deep into the ice Everyone says so Except for my father all he heard was Mother's sobs Not of pain but of joy so he says Other than that the only verifiable fact about the day I was born is that an iceberg the size of Los Angeles broke free from the ice shelf a few miles off the coast Again some would have me believe the fracture took place as I entered the world But all that really matters according to my parents is that I Solomon Ull Vincent the first child born on Antarctica the first and only Antarctic was born on September 2nd 1974 If only someone could have warned me that upon my return to the continent of my birth thirteen years later I would be kidnapped subjected to tortures beyond comprehension and forced to fight and kill If only someone had hinted that I'd wind up struggling to survive in a subterranean world full of ancient warriors strange creatures and supernatural powers Had I been warned I might have lived a normal life The human race might have remained safe And the fate of the world might not rest on my shoulders Had I been warned This is my story the tale of Solomon Ull Vincent The Last Hunter

The Last Hunter - Pursuit (Book 2 of the Antarktos Saga) Jeremy Robinson, 2011-05 I was thirteen years old when I was kidnapped They took me from my family from my friends from everything I knew and stole my innocence They brought me to a world beneath the surface of Antarctica where I was broken and trained by a hunter named Ninnis He served the ancient Nephilim half human half demon monsters My personality was buried in my subconscious and

replaced by that of Ull a hunter and killer For a time I too served the Nephilim As the first and only human born on Antarctica they believed that I could contain the spirit of their fallen king Nephil and lead them to conquer humanity But I was stronger than they knew and escaped deep into the underworld where I have been hiding for the past two years I live in a cavern which is somehow lush with green vegetation eking out a living and cowering from the confrontation that I know awaits me But the nightmare has found me I can smell them The hunters They have discovered my hideout The pursuit of Solomon Ull Vincent the last hunter has begun And if they catch me this is where my story will end *Antarktos Rising*
