Its Only The Enemy Screaming By Christopher McEnroe:

It's Only the Enemy Screaming Christopher McEnroe, 2005-08 It's Only the Enemy Screaming tells of one man's struggle with faith in the American experiment as the country's first made-for-media war unfolds Perhaps I would be called upon to fight I thought I did not want to go I did not want to sacrifice my life I felt remorse for the boys who had already What would be my family's reaction if I were to go and die But these are not things to consider if you are in the desert with sand slipping away under your feet cleaning your gun smelling the oil staring in the face of your enemy The preparations of a warrior do not include doubt They do not include consideration of the life left behind The preparations of a warrior consist of absolute commitment undaunted determination and complete sobriety All other considerations are made before the decision to go to war If they are not the warrior is doomed It's Only the Enemy Screaming is the emotionally intense story of one man's descent into the psychological underbelly of American culture during the Persian Gulf War Given our current political climate McEnroe's edgy narrative of a spectator's view during the first Iraq conflict couldn't be timelier but his ultimate focus transcends the political moment It is a riveting occasionally hallucinogenic and always intelligent portrait of America's love affair with violence Michael Lynch author of *True to Life* The New York Times Biographical Service, 1979 A compilation of current biographical information of general interest **The New York Times Magazine**, 1979 New York Magazine, 1993-05-31 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
