Jake's Long Shadow Alan Duff, 2013-12-16 The third volume in the hard hitting best selling Once Were Warriors trilogy The millennium has changed but have the Hekes Where are they now Beth Jake and what of their other children Son Abe who has rejected violence but violence finds him Polly as beautiful as her sister Grace who committed suicide is that a Heke running around with the wealthy polo playing set and growing rich herself And the gang leader Apeman who killed Tania what s prison like does it change a man grow him or not We meet another tragic female figure Sharneeta And Alistair Trambert a middle class white boy sunk into the same welfare dependency trap as the Maoris his class criticises Meet Charlie Bennett Beth's husband a fine man and yet And yet there's Jake Heke casting his long shadow over everyone Has he Global Fragments, 2007-01-01 While the world seems to be getting ever smaller and globalization has really grown up become the ubiquitous buzz word regionalism and fragmentation also abound This might be due to the fact that far from being the alleged production of cultural homogeneity the global is constantly re defined and altered through the local This tension pervading much of contemporary culture has an obvious special relevance for the new varieties of English and the literature published in English world wide Postcolonial literatures exist at the interface of English as a hegemonic medium and its many national regional and local competitors that transform it in the new English literatures Thus any exploration of a globalization of cultures has to take into account the fact that culture is a complex field characterized by hybridization plurality and difference But while global or transnational cultures may allow for a new cosmopolitanism that produces ever changing fluid identities they do not give rise to an egalitarian global village an asymmetry between centre and periphery remains largely intact albeit along new parameters The essays collected in this volume offer readings of literary theoretical and filmic texts from the postcolonial world These texts are read as attempts to articulate the global with the local from a perspective of immersion in the actual diversity of life worlds focusing on such issues as consumption identity politics and modes of affiliation In this sense they are global fragments locally refractured figurations of an experience of world wide A Conversation with my Country Alan Duff, 2019-07-02 A fresh personal account of New Zealand interconnectedness now from one of our hardest hitting writers Following Once Were Warriors Alan Duff wrote Maori The Crisis and the Challenge His controversial comments shook the country A quarter of a century later New Zealand and Maoridom are in a very different place And so is Alan he has published many more books had two films made of his works founded the Duffy Books in Homes literacy programme and endured some less inspiring moments including bankruptcy Returned from living in France he views his country with fresh eyes as it is now homing in on the crises in parenting our prisons education and welfare systems and a growing culture of entitlement that entraps Pakeha and Maori alike Never one to shy away from being a whetstone on which others can sharpen their own opinions Alan tells it how he sees it The Routledge Handbook of Indigenous Film Ernie Blackmore, Kerstin Knopf, Wendy Gay Pearson, Corina Wieser-Cox, 2024-11-27 The Routledge Handbook

Once Were Warriors Emiel Martens, 2007 In 1990 unknown Maori author Alan Duff suddenly became both famous and notorious in New Zealand for his first novel Once Were Warriors The violent story of a poor urban Maori family aroused

much controversy in New Zealand society and the Maori community in particular Many Maori commentators condemned the novel for its negative and allegedly racist portrayal of the indigenous Maori people accusing Duff for hanging out the dirty linen and blaming the victim Four years later the homonymous film by Maori director Lee Tamahori led to similar fame and controversy On the one hand critics strongly disapproved of the commercial indigenous film on social political and aesthetic grounds On the other hand however Once Were Warriors became the most successful motion picture in the history of New Zealand cinema grossing over 6 7 million NZ dollars in the national box office and reaching a large international audience Once Were Warriors was not just a novel or film but a powerful cultural representation which had a significant impact on New Zealand society In this richly illustrated book Emiel Martens examines the impact of Once Were Warriors in Aotearoa New Zealand by exploring the two cultural representations with a specific emphasis on the film and their aftermath in postcolonial New Zealand society Why did Once Were Warriors cause such a controversy within the Maori community Which were the underlying metaphors of the public debate on both the novel and the film in New Zealand society And what did the heated reception of Once Were Warriors say about the position and identity of the indigenous Maori people within modern New Zealand Bringing together a wide variety of popular and academic texts the author discusses these urgent questions in relation to timely New Zealand and wider postcolonial issues such as racial stereotypes cultural politics ethnic relations indigenous media and Maori identity As an interdisciplinary Cultural Studies endeavour this book is surprisingly accessible and will prove interesting reading for anyone who wishes to know more about cultural identity postcolonial representation and indigenous filmmaking in Aotearoa New Zealand
