Mike Wilson, 2021-01-19 Positive psychologists have proven that positivity leads to success but most Christians in America have chosen to believe a single eschatological theory that leads to pessimism and cynicism Pessimistic Christians put themselves in Christian bubbles and focus on self preservation and when a mind is clouded by negativity interpretations of biblical prophecy lean toward the pessimistic possibilities The fantastic writing of the Left Behind books has popularized premillennial dispensationalism with good intentions but that interpretation of biblical prophecy teaches that sinfulness will continually increase until Jesus throws up his hands in disgust and secretly raptures worthy Christians leaving behind unworthy sinners to suffer the wrath of the antichrist Teaching that questionable theory produces negativity that hinders the Christian mission When Christians believe that they cannot succeed in leading most of the world to Jesus they will fail to put in the effort that success would require Jesus on the other hand taught his followers that nothing will prevail over his church and that teaching inspired them to sacrifice everything for the Christian mission This is not a promise of prosperity without effort or of inevitable success but biblical positivity is an energizing force that will help Christians flourish The Left Behind Prequels Collection: The Rising / The Regime / The Rapture Tim LaHaye, Jerry Jenkins, 2017-07-04 This collection bundles all 3 of the blockbuster Left Behind Prequels by Tim LaHaye and Jerry B Jenkins together into one e book for a great value 1 The Rising The Rising begins a new Left Behind series that will give you a glimpse into the lives of your favorite characters before the Rapture Have you ever wondered what life was like before the Rapture for Rayford Irene and Chloe Steele Bruce Barnes Buck Williams and Tsion Ben Judah Plus see why Viv Ivins plays such a pivotal role in Nicolae Carpathia's life What were the events surrounding Nicolae's sudden rise to power How did he become filled with evil You will find all these answers and more in this exciting new series In The Rising Marilena Carpathia has only one dream to be a mother So when a mysterious clairvoyant promises the fulfillment of this dream Marilena does not hesitate Through genetic engineering and the power of the prince of darkness himself Marilena is about to become a chosen vessel one who will unknowingly give birth to the greatest evil the world has ever known Halfway around the world God's plans are subtly being carried out too Young Ray Steele is determined to avoid one day taking over the family business Instead Ray sets his heart on becoming a pilot Soon Carpathia's and Steele's lives will intersect And good and evil will clash in an explosion that will shake the world The eternal battle for souls has come to earth The world hurtles toward the countdown to the Rapture 2 The Regime Dynamic Romanian multimillionaire Nicolae Carpathia's sphere of influence steadily grows as he parlays his looks charm charisma and intellectual brilliance into success in business and politics But is it mere coincidence that those who oppose or offend him suffer to the point of death Meanwhile a young Buck Williams begins his journalistic career Pilot Rayford Steele gains more responsibility at work and at home Scientist Chaim Rosenzweig begins work on a secret formula that could change the world All three go about their daily lives unaware of each other or of the powerful young man from Romania Around the world the

stage is being set for the cataclysmic event that will change the world forever 3 The Rapture In this the final prequel to the blockbuster series the story features the Rapture three quarters of the way through the book and then follows characters such as Irene and Raymie and others up to heaven where they are able to see events in the Tribulation from heaven's perspective The story alternates between events on earth immediately after the Rapture covering lots of things the authors wished they could have covered in the original volumes and characters in heaven and how they view the chaotic events on earth

Left Behind Answered Verse by Verse David Reed, 2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH'S WITNESSES ANSWERED VERSE BY VERSE and MORMONS

ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy

End of Days Carolyn Kinane, Michael A. Ryan, 2014-01-10 The idea of the complete annihilation of all life is a powerful and culturally universal concept As human societies around the globe have produced creation myths so too have they created narratives concerning the apocalyptic destruction of their worlds This book explores the idea of the apocalypse and its reception within culture and society bringing together 17 essays that explore both the influence and innovation of apocalyptic ideas from classical Greek and Roman writings to the foreign policies of today's United States

Tribulation Force Tim LaHaye, Jerry B. Jenkins, 2011-03-16 Rayford Steele and Cameron Buck Williams find themselves pressed into service for the man they believe could be the Antichrist Nicolae Carpathia takes over the United Nations signs a peace treaty with Israel and begins to lure the nations of earth together to form one global village As believers band together following the Rapture their peaceful world is destroyed again when global war erupts A repackaged of the New York Times best selling second book in the Left Behind series

Jenkins, 2011-03-16 As the world's thousands of believers gather in Jerusalem for a stadium rally the Tribulation Force struggles with their own personal crises Newspaper reporter Buck Williams and his wife Chloe question whether or not they should have a child when the future of the world is so uncertain Meanwhile Rayford Steele discovers the shocking truth about his wife Amanda Nicolae Carpathia continues his rise to power forcing believers underground But Nicolae isn't prepared for a plague of scorpion like locusts tormenting his followers with a pain so horrible that men try to kill themselves but aren't allowed to die A repackaged of the fifth book in the New York Times best selling Left Behind series

Soul Harvest Tim LaHaye, Jerry B. Jenkins, 2011-03-16 Pilot Rayford

Steele and reporter Buck Williams begin searching for their loved ones after the global earthquake in the twenty first month of the Tribulation **Nicolae** Tim LaHaye, Jerry B. Jenkins, 2011-03-16 It has been nearly two years since the day of the mass disappearances In one cataclysmic instant millions all over the globe simply vanished leaving everything but flesh and bone behind Global war has erupted and the Tribulation Force sets a suicidal course that places them in direct opposition to the rise of Antichrist A repackaged of the third book in the New York Times best selling Left Behind series **The Left Behind Fantasy** William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense Writing the Rapture Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature *The Paranoid Apocalypse* Richard Landes, Steven T. Katz, 2012 This text re examines The Protocols of the Elders of Zion s popularity investigating why it has persisted as well as larger questions about the success of conspiracy theories even in the face of claims that they are blatantly counterfactual and irrational Left Behind: Separating Fact from Fiction Gary DeMar, 2009 The Regime Tim LaHaye, Jerry B. Jenkins, 2013-02-08 Dynamic Romanian multimillionaire Nicolae Carpathia

s sphere of influence steadily grows as he parlays his looks charm charisma and intellectual brilliance into success in business and politics But is it mere coincidence that those who oppose or offend him suffer to the point of death Meanwhile a young Buck Williams begins his journalistic career Pilot Rayford Steele gains more responsibility at work and at home Scientist Chaim Rosenzweig begins work on a secret formula that could change the world All three go about their daily lives unaware of each other or of the powerful young man from Romania Around the world the stage is being set for the cataclysmic event that will change the world forever

The Last Operative Jerry B. Jenkins, 2010-07-08 Jordan Kirkwood wants to go quietly into the sunset His career as an NSA intelligence officer has taken a significant toll His two adult children are little more than distant acquaintances His wife has been patient and supportive but he knows she has deserved better That was part of the reason they were going to London He wanted her to see Europe like a tourist But that was before he was given intelligence information during the recent mission to Germany The threat is grave bigger than 9 11 And the risk is compounded by the fact that someone inside the NSA is involved The most hidden place in Kirkwood s past will have to be unmasked in order to meet the challenges of this mission
