Jerusalem In Prophecy By Randall Price:

Jerusalem in Prophecy Randall Price, 1998 The Bible says much about life in the Millennial kingdom and eternity than many Christians realize What wonders await the faithful in the New Jerusalem Randall Price takes a close look at what the Bible says about Jerusalem in prophecy **The Temple and Bible Prophecy** Randall Price, 2005 In A D 70 the Jewish Temple in Jerusalem was destroyed by Rome As a result the prophecies given to national Israel concerning its expected restoration which included the hope of a greater Temple to which the glory of God would return had to be reformulated Jews and Christians have long debated these pivotal questions and their differences have influenced modern day political policy concerning Israel and the Temple Mount For Orthodox Jews in Israel the prophetic hope of a literal Temple has provoked a movement to rebuild it Some Christians believe they should support Israel in relation to the future fulfillment of prophecy while others contend that such prophetic belief is disastrous and has put the world on the road to Armageddon Publisher

Gershom Gorenberg,2002-03-15 In this provocative work seasoned journalist Gershom Gorenberg portrays a deadly mix of religious extremism violence and Mideast politics as expressed in the struggle for the sacred center of Jerusalem Known to Jews and Christians as the Temple Mount and to Muslims as the Noble Sanctuary this thirty five acre enclosure at the southeast corner of Jerusalem s Old City is the most contested piece of real estate on earth Here nationalism combines with fundamentalist faith in a volatile brew Members of the world s three major monotheistic faiths Judaism Christianity and Islam hold this spot to be the key to salvation as they await the end of the world and struggle to fulfill conflicting religious prophecies with dangerous political consequences Adroitly portraying American radio evangelists of the End radical Palestinian sheikhs and Israeli ex terrorists Gorenberg explains why believers hope for the End and why prominent American fundamentalists provide hard line support for Israel while looking forward to the apocalypse He makes sense of the messianic fervor that has driven some Israeli settlers to oppose peace And he describes the Islamic apocalyptic visions that cast Israel s actions in Jerusalem as diabolic plots The End of Days shows how conflict over Jerusalem and the fiery belief in apocalypse continue to have a potent impact on world politics and why a lasting peace in the Middle East continues to prove elusive

Biblical Prophecies in the Light of History Jim and Judy Stocker,2005-11 **The Popular Bible Prophecy**

Commentary Tim F. LaHaye,Edward E. Hindson,2007-02-01 Offering clear and informative explanations from notable prophecy experts a user friendly guide sheds light on a wide range of issues in Bible prophecy including the signs preceding Jesus s Second Coming Daniel s prophecies about the Antichrist Tribulation and the world s kingdoms and the interpretation of the book of Revelation *Christian Zionism* Stephen Sizer,2021-09-13 I am glad to commend Stephen Sizer s

groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer s Christian

Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone s perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn t be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer s work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer s doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok *The Amazing Claims of Bible Prophecy* Mark Hitchcock,2010-04-01 With over 500 000 Bible prophecy books sold Mark Hitchcock is fast becoming one of the most popular and widely trusted voices on this topic *The Amazing Claims of Bible Prophecy* is his newest release This book takes a fascinating look at one of the most important aspects of Bible prophecy It confirms the divine origin and complete reliability of God s Word Only God who is all knowing can tell what lies ahead with 100 percent accuracy Readers will examine ten past prophecies and their astounding fulfillments all of which serve as profound evidence for both unbelievers and believers that God s Word can be trusted Readers will also explore ten future prophecies and see how today s events foreshadow the fact Earth s final hour is near This resource will encourage believers toward a deeper confidence in the Word and equip them with a powerful defense against those who question the Bible s truth claims **The End Times Controversy** Tim F. LaHaye,Thomas Ice,2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future *The Great Tribulation--Past Or Future?* Thomas Ice,Kenneth L. Gentry, This engaging book brings together the opposing viewpoints of two respected evangelicals on whether the Great Tribulation is a past present or future event This material is especially helpful in gaining an understanding of end times as the arguments are presented in a friendly debate format with responses by each author to the other s position

Last of the Last Days Thaddeus Kedziora,2015-06-03 Last of the Last Days is dedicated to refuting the unbiblical error

of Replacement Theology It scripturally proves that Nero was not the biblical fulfillment of the Antichrist It chronicles Israel's disobedience and God's plan of national restoration for Israel through the Tribulation process It also discusses the next prophetic event for the church which is the Rapture followed by the Judgment Seat of Christ It culminates in evidence that we are living in the Last of the Last Days before Jesus Christ returns to Earth **The Case for Zionism** Thomas

Ice, 2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day *The End*

Times Survival Guide Mark Hitchcock, 2018-11-06 We live in a world that seems to be on the verge of coming apart Shootings Killer viruses The threat of nuclear war All of it is just too real Why does the apocalypse craze in movies and video games appeal to so many people so strongly One answer is it shows us the primal foundations of our existence In the same way what's happening in our world today is moving Christians to return to the foundations of our spiritual existence Believers everywhere must get back to what matters most We must always remember that our battle at its most basic level is spiritual So what are the spiritual tools the essentials that Scripture tells us we must remember and use as the end draws near In *The End Times Survival Guide* you will discover ten spiritual tools the Bible relates directly to our preparation for the Lord's coming ten biblical survival strategies to live out in these last days so you and your family can prosper in an increasingly decaying darkening world These strategies won't guarantee your physical or financial well being but they are guaranteed to bring life and vitality to your spiritual health and welfare as you cling to the immovable rock of God's Word When life is whittled down to its essence the real issue is our spiritual condition before God Discover how you can protect yourself and your family spiritually in these dark days *Letting Go of the Pews* L.
