of four thrilling instalments of John Scalzi s The End of All Things The full novel is also available to buy Our fate is in their hands The Colonial Union s Defence Force was formed to save humanity when aggressive alien species targeted our worlds Now Lieutenant Harry Wilson has an urgent new mission as a hostile universe becomes ever more dangerous He must investigate a sinister group which lurks in the darkness of space playing different factions against one another They ll target both humans and aliens and their motives are unfathomable The Defence Force itself is weakening as its soldiers fall without recruits to replace them Relations with Earth have broken down and it will send no more troops even as human colonies become increasingly vulnerable to alien attack Lieutenant Wilson and Colonial Union diplomats must race to keep the peace seek reconciliation with an enraged Earth and maintain humanity s unity at all costs If they don t it will mean oblivion

extinction and the end of all things Horror Culture in the New Millennium Daniel W. Powell, 2018-11-23 Horror Culture in the New Millennium Digital Dissonance and Technohorror explores the myriad ways in which technology is altering the human experience as articulated in horrific storytelling The text surveys a variety of emerging trends and story forms in the field through both a series of critical essays and personal interviews with scholars editors authors and artists now creating and refining horror stories in the new millennium The project posits a rationale for the presence of technohorror as a defining concern in contemporary horror literature marking a departure from the monstrous and spectral traditions of the twentieth century in its depictions of frightful narratives marked by the qualities of plausibility mundanity and surprise as we tell stories about what it means to be human As our culture explores the dichotomies of the born made natural artificial and human computer all while subsumed within a paradigm shift predicated on the transition from the traditions of print to emerging digital communications practices these changes form the basis for horrific speculations in our texts and technologies Ultimately Digital Dissonance Horror Culture in the New Millennium explores that paradoxical human attraction for peering into the darkness as translated through our lived experiences in an era of rapidly evolving technologies
