Locating Australian Literary Memory Brigid Wagner, 2019-11-22 Locating Australian Literary Memory explores the cultural meanings suffusing local literary commemorations It is orientated around eleven authors Adam Lindsay Gordon Joseph Furphy Henry Handel Richardson Henry Lawson A B Banjo Paterson Nan Chauncy Katharine Susannah Prichard Eleanor Dark P L Travers Kylie Tennant and David Unaipon who have all been celebrated through a range of forms including statues huts trees writers houses and assorted objects Brigid Wagner illuminates the social memory residing in these monuments and artefacts which were largely created as bulwarks against forgetting Acknowledging the value of literary memorials and the voluntary labour that enables them she traverses the many contradictions ironies and eccentricities of authorial commemoration in Australia arguing for an expanded repertoire of practices to recognise those who have been hitherto excluded

Little Red Readings Angela E. Hubler, 2014-04-29 A significant body of scholarship examines the production of children's literature by women and minorities as well as the representation of gender race and sexuality But few scholars have previously analyzed class in children's literature This definitive collection remedies that by defining and exemplifying historical materialist approaches to children's literature The introduction of Little Red Readings lucidly discusses characteristics of historical materialism the methodological approach to the study of literature and culture first outlined by Karl Marx defining key concepts and analyzing factors that have marginalized this tradition particularly in the United States The thirteen essays here analyze a wide range of texts from children's bibles to Mary Poppins to The

Hunger Games using concepts in historical materialism from class struggle to the commodity Essayists apply the work of Marxist theorists such as Ernst Bloch and Fredric Jameson to children's literature and film Others examine the work of leftist writers in India Germany England and the United States The authors argue that historical materialist methodology is critical to the study of children's literature as children often suffer most from inequality Some of the critics in this collection reveal the ways that literature for children often functions to naturalize capitalist economic and social relations Other critics champion literature that reveals to readers the construction of social reality and point to texts that enable an understanding of the role ordinary people might play in creating a more just future The collection adds substantially to our understanding of the political and class character of children's literature worldwide and contributes to the development of a radical history of children's literature

Dancing the Deep Hum, One Woman's Ideas about How to Live in a Dancing, Singing Universe Connie Tyler, 2009-03 In *Dancing the Deep Hum* Connie Tyler examines the sometimes delightful and sometimes painful lessons she has learned in her sixty five years of life and humbly presents some ideas about how to live life joyfully Weaving in and out between the personal and the public the individual and the whole the universe the infinite and the here and now she searches for the definition of that unnamable something that hums uses her own experiences and other people's stories found in books film and the media to suggest a set of principles for living that just might bring us personal happiness while moving us toward a solution to the world's ecological and social justice problems [General Catalogue of Printed Books](#) British Museum. Mary Poppins P. L. Travers, 2018 Based on the original 1934 novel by P L Travers with beautiful illustrations by Genevieve Godbout this collectable picture book is sure to become a favorite of Mary Poppins fans old and new When the East Wind blows Mary Poppins over Cherry Tree Lane and into the lives of the Banks children nothing is ever the same This picture book adaptation of the original novel is full of Mary's unique brand of whimsical adventure There's a tea party on the ceiling a visit to the night zoo and a trip to a mysterious shop that sells stars Told in a lyrical text with fresh yet timeless art by Genevieve Godbout this version of Mary Poppins is perfect for reading aloud Young and old longtime friends of Mary and those meeting her for the first time will revel in this colorfully illustrated version of the story that inspired the image of the beloved nanny of page stage and screen **Aristophanes'**

Old-and-New Comedy Kenneth J. Reckford, 2017-10-06 This startling and original study emerged from Kenneth Rockford's wish to vindicate Aristophanes' *Clouds* against detractors As a result of years of rereading and teaching Aristophanes he realized that the *Clouds* could not be defended in an analysis of that play in isolation A better approach he decided would be to define a comic perspective within which Aristophanes' comedies in general as well as the *Clouds* in particular could be appreciated This first volume of Reckford's defense examines the comedies as a whole in a series of defining essays each with its own dominant concern and method of approach The author begins by exploring not the usual questions of Aristophanes' political attitudes and his place in the development of comedy but rather the festive celebratory and Dionysian nature of Old

Comedy Here and throughout the book Reckford illustrates Aristophanes form of comedy with analogies to Rabelais Shakespeare Charlie Chaplin Alice in Wonderland and The Wonderful Wizard of Oz In the remaining essays Reckford goes beyond the usual Freudian approaches reinterpreting the comic catharsis as a clarification of wishing and hoping He also explores the growth of plays from comic idea to comic performance in ways reflected in Tom Stoppard s plays today Only then are Aristophanes basic political loyalties described as well as the place of his old and new comedy within the history of the genre In a book that is as much about comedy generally as it is about Aristophanes specifically some plays are treated more fully than others Reckford discusses the Wasps at length comparing the symbolic transformations and comic recognitions in the play with dream experience and dream interpretation He also analyzes the Peace the Acharians the Birds and the Frogs Reckford s vindication of the Clouds will appear in the second volume of his defense Clouds of Glory Reckford s playful translations preserve the puns and anachronisms of Aristophanes maintaining the playwright s comic feeling and tone Combining traditional classical scholarship with a variety of literary psychological and anthropological approaches he has written a study that will appeal to both the academic audience and the general reader who cares about comedy Originally published in 1987 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value
