Overcoming Depression Bob Gass, 2014-08-01 One out of every ten people battle depression Our lack of understanding can cause them to feel stigmatized

and shamed so they don't seek the answers they need Jesus said He came to release the oppressed That means you can overcome depression and experience healing in your mind and emotions **Overcoming Depression** Neil T.

Anderson, Joanne Anderson, 2004-07-02 Overcoming Depression will provide healing and freedom for millions of Christians who suffer silently from depression This Christ centered road map to recovery balances spiritual and physical symptoms leading those with depression and those in the Church who must help them to both a thorough understanding and a comprehensive treatment Now is the time to get Overcoming Depression into the hands of Christians everywhere helping those who are desperately in need of its powerful and life changing message Overcoming Depression Without Drugs John

A. Snyder, Nancy Steffen-Fluhr, 2012-02 In this revolutionary new book on music and emotion Dr John A Snyder shows us how not to get depressed Drawing on 40 years of clinical experience as a psychotherapist he demonstrates that antidepressant pills are dangerous addictive and don't work What does work is listening to feelings and moving toward the very feelings we object to most Snyder illustrates the special relationship between music and emotion by exploring the inner life of composer Gustav Mahler 1860 1911 Often wrongly portrayed as neurotic Mahler was actually quite resilient despite the many tragedies of his short life a strength that came from his ability to listen to his darkest feelings Overcoming Depression explains how all of us can access that same emotional strength in our own lives Written in a direct conversational style and filled with personal stories from Snyder's life and practice the book is designed to be a bedside companion to which readers can return again and again for insight and support Dr Snyder forcefully challenges what is currently being taught in professional schools and to the public about feeling states His insights are invaluable for any person interested in how we understand and integrate feeling into our daily lives I especially recommend this book to any professional who works with people suffering from depression Dr William Packard psychiatrist Interwoven with Mahler's riveting life story Dr Snyder has another agenda a sweeping analysis of how sadness which should be viewed as a normal part of the life experience has been hijacked and given a new identity as a Disease requiring Treatment with a drug courtesy of the pharmaceutical industry Dr Donald Kushon psychiatrist Like Leonard Bernstein in his Young People's Concerts John Snyder makes Mahler come alive He traces the emotional threads that are woven through Mahler's life in music creating a tapestry that helps us better understand our own life symphony and how to orchestrate it The book's lively and straightforward style makes even subtle concepts easy to grasp Dr Judith D Fisher psychiatrist **The Chemistry of Joy** Henry Emmons, MD, 2006-01-03 The

classic book that New York Times bestselling author Dr Larry Dossey called a valuable guide for anyone wishing to find greater exuberance and fulfillment in their life The Chemistry of Joy offers a unique blend of Western science and Eastern philosophy to show you how to treat depression more naturally and effectively and what you can do TODAY to create a happier more fulfilling life for yourself The Chemistry of Joy presents Dr Emmons's natural approach to depression supplemented with medication if necessary combining the best of Western medicine and Eastern teaching to create your

body's own biochemistry of joy Integrating Western brain chemistry natural and Ayurvedic medicine Buddhist psychology and his own joyful heart techniques Dr Emmons creates a practical program for each of the three types of depression anxious depression agitated depression and sluggish depression The Chemistry of Joy helps you to identify which type of depression you are experiencing and provides a specific diet and exercise plan to address it as well as nutritional supplements and psychology of mindfulness exercises that can restore your body's natural balance and energy This flexible approach creates newfound joy for those whose lives have been touched by depression and pathways for all who seek to actively improve their emotional lives
