**Local Responses to Colonization in the Iron Age Mediterranean** Tamar Hodos, 2006-09-27 The first study to bring together such a breadth of data this book compares responses to colonization in the Iron Age Mediterranean From North Syria to Sicily and North Africa Tamar Hodos explores the responses to these colonies in areas where Greeks and Phoenicians were in competition with one another via the same local communities Highlighting the diversity of interest displayed by local populations in these foreign cultural offerings Hodos charts their selective adaptation modification and reinterpretation of Greek and Phoenician goods and ideas as their own cultures evolve For students of archaeology and history this will provide an essential resource for their degree course studies

*The Oxford Handbook of the Phoenician and Punic Mediterranean* Carolina López-Ruiz, Brian R. Doak, 2022 The Phoenicians created the Mediterranean world as we know it yet they remain a shadowy and poorly understood group The academic study of the Phoenicians has come to an important crossroads the field has grown in sheer content sophistication of analysis and diversity of interpretation and we now need a current overview of where the study of these ancient seafarers and craftsman stands and where it is going Moreover the field of Phoenician studies is particularly fragmented and scattered While there is growing interest in all things Phoenician and Punic the latest advances are mostly published in specialized journals and conference volumes in a plethora of languages This Handbook is the first of its type to appear in over two decades and the first ever to appear in English In these chapters written by a wide range of prominent and promising scholars from across Europe North America Australia and the Mediterranean world readers will find summary studies on key historical moments such as the history of Carthage areas of culture organized around language religion and material culture regional studies and areas of contact spanning from the Levant and the Aegean to Iberia and North Africa and the reception of the Phoenicians as an idea entangled with the formation of other cultural identities both ancient and modern

**Household Archaeology in Ancient Israel and Beyond** Assaf Yasur-Landau, Jennie R. Ebeling, Laura B. Mazow, 2013-02-06 Despite the large number of well preserved domestic contexts in Bronze and Iron Age sites household archaeology has not been a common approach to studying the material culture of Ancient Israel Until recently the dictates of Biblical Archaeology led to a narrow set of questions that ignored issues such as gender status and production within the household The present volume which grew out of a session at the 2008 Annual Meeting of the American Schools of Oriental Research attempts to redress this issue The seventeen papers herein reflect innovative viewpoints on the theory and praxis of household archaeology in this region The next step in household research is presented here with the use of tailor made data collection strategies designed to answer specific questions posed by household archaeology The neglect of households and the archaeology of the activities of its

members are ambitiously attended to in this volume Its exceptional breadth of various modes of inquiry coupled with the application thereof justifies the household as a topic of discussion I would highly recommend this book for institutions libraries scholars and students interested in any aspect of daily life in the southern Levant and I very much look forward to the future research projects it will inspire Cynthia Shafer Elliot William Jessup University as a whole the work is impressive and most contributions are commendable for their sophistication in engaging interdisciplinary research in order to understand the nature and function of households in ancient Israel and surrounding areas Carol Meyers Duke University

**Jewish Studies on Premodern Periods** Carl S. Ehrlich, Sara R. Horowitz, 2023-05-22 This volume examines new developments in the fields of premodern Jewish studies over the last thirty years The essays in this volume written by leading experts are grouped into four overarching temporal areas the First Temple Second Temple Rabbinic and Medieval periods These time periods are analyzed through four thematic methodological lenses the social scientific history and society the textual texts and literature the material art architecture and archaeology and the philosophical religion and thought Some essays offer a comprehensive look at the state of the field while others look at specific examples illustrative of their temporal and thematic areas of inquiry The volume presents a snapshot of the state of the field encompassing new perspectives directions and methodologies as well as the questions that will animate the field as it develops further It will be of interest to scholars and students in the field as well as to educated readers looking to understand the changing face of Jewish studies as a discipline advancing human knowledge

**The Books of Kings** André Lemaire, Baruch Halpern, Matthew Joel Adams, 2010 This collaborative commentary on or dictionary of Kings explores cross cutting aspects of Kings ranging from the analysis of its composition historically regarded to its transmission and reception Ample attention is accorded sources figures and peoples who play a part in the book The commentary deals with Kings treatment in translation and role in later ancient literature While our comments do not proceed verse by verse the volume furnishes guidance from contributors highly qualified to advance contemporary discussion on the book s historical background its literary intentions and characteristics and on themes and motifs central to its understanding both of itself and of the world from which it arose This volume functions as a meta commentary offering windows into the secondary literature but assembling data more fully than is the case in individual commentaries
