Lines of Defense Stephen Dunn, 2013-12-31 Stephen Dunn has taken his place among our major indispensable poets Miami Herald In his seventeenth collection of poetry Pulitzer Prize winner Stephen Dunn confronts the lines we fight against and the ones we draw for ourselves Lines of Defense poignantly captures the absurdities of modern life expectations derailed the lived life juxtaposed to the imagined life and the defenses we don to make do The poems in Lines of Defense are wry and elegiac precisely observed and wide reaching As with the best of Dunn s work they take stock of the quotidian aspects of life of the essential comedy of getting through the day finding a lost cat not being invited to a party taking a granddaughter to a carnival The lines of defense are the lines of the verse itself as poetry forms a stronghold against mortality This essential volume showcases a poet writing at the height of his powers From Before We Leave Where are we going It s not an issue of here or there And if you ever feel you can t take another step imagine how you might feel to arrive if not wiser a little more aware how to inhabit the middle ground between misery and joy **Sufficiency of the Actual** Kevin Stein, 2009 Poems reflecting the rich panoply of personal and public life in modern America from the Poet Laureate of Illinois **Here and Now** Stephen Dunn, 2014-11-10 A wonderful example of the poet s ability to satisfy readers and anticipate their thoughts Elizabeth Lund Washington Post In his sixteenth collection Stephen Dunn continues to bring his imagination and intelligence to what Wallace Stevens calls the problems of the normal which of course pervade most of our lives The poem Don t Do That opens with the lines It was bring your own if you wanted anything hard so I brought Johnnie Walker Red along with some resentment I d held in for a few weeks In other poems Dunn contemplates his own mortality echoing Yeats That is no country for old men cadenced everything I said only to discover he s joined their ranks In The Writer of Nudes his speaker is in search of the body s grammar but tells his models Don t expect to see yourself as other than I see you Full of grace wit humor and masterful precision the poems in Here and Now attest to the contradictions we live with in the here and now Political and metaphysical these astonishing poems remind us of the essential human comedy of getting through each day from The House on the Hill from out of the fog a large welcoming house would emerge made out of invention and surprise No things without ideas you d shout and the doors would open and the echoes would cascade down to the valleys and the faraway
