**A Simple Guide to the Book of Isaiah** Jeff Scoggins, 2017-12-11 Do the writings of the Old Testament prophets seem unrelated to modern life Would you read them more carefully if you recognized they still speak even today Learn how Old Testament prophecy informs us about earth's last days Discover how end time prophecy particularly the book of Revelation is illuminated by the writings of the prophet Isaiah This verse by verse devotional walks you through the book of Isaiah and leaves you astonished by God's unrelenting efforts to reconcile us to Himself even today **What Every Seventh-Day Adventist Should Know About the Shepherd's Rod** Garrick D. Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd's Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd's Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd's Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod's message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd's Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism [Adventist Review](#), 2008-07 *The Gospel In The Setting Of End-Time Events* Leonard Philips Tolhurst, 2022-06-09 Since the beginning Seventh day Adventists have developed a high interest in Bible prophecy In addition to studying end time events early Seventh day Adventists also focused on studying and teaching distinguished doctrines such as the Second Coming the sanctuary the state of the dead the three angels messages the Sabbath and the Ten Commandments Only after the 1888 Minneapolis General Conference did Seventh day Adventists start to give attention to the important truth of righteousness by faith This very teaching which almost split the church in 1888 has been a reason for debate and theological controversy This book was written because understanding righteousness by faith and the end time events are essential for every believer Pastor Leonard Tolhurst devotes several chapters to clearly outline what righteousness by faith is and what it is not He also addresses some difficult topics such as the human nature of Christ A person's view on whether Jesus had a sinful or sinless nature determines to a large extent his or her understanding of righteousness by faith Some chapters deal with the 2 300 day prophecy of Daniel and their interpretations by futurists and

preterists The second half of the book focuses on end time events the three angels messages the latter rain the sealing Armageddon among others It ends with the Second Coming and the millennium Each chapter is filled with Bible texts Ellen G White quotes and a list of Supportive Sources for further study The book is a tremendous resource for Bible teachers ministers and church members

**The Elephant in the Room** Sadrail Saint-Ulysse PhD MDiv,2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don t think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God s statutes and commandments Deuteronomy 6 4 8 and Isaiah 54 13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28 16 20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church

volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner *Advanced Prophetic Studies* Gordon Ziegler,2014-01-24 This book is an outgrowth of a manuscript entitled *Advanced Prophetic Studies* by the author written in 1981 later renamed *Manifold Revelation* This volume was designed to follow *Blueprint for Revival* the precursor of *Who Shall Stand* and *The Daniel Eleven Mystery* the precursor of *Daniel Eleven Mysteries* as a third volume in a set The first two volumes in the set introduce the idea of more than one glorious coming of Christ during probationary time in the last days and a set of hermeneutic principles to test our prophetic views by This volume takes those for granted but explores those concepts through a wide range of Bible books As in *Daniel Eleven Mysteries* the text of the chapters is virtually free from the hermeneutic principles those being reserved by chapter for Appendix A in *Daniel Eleven Mysteries* The text also is a virtual commentary on the texts studied Not only the applications envisioned in the original *Advanced Prophetic Studies* but more recent applications of some of the texts are propounded Every effort is made to bring the work up to date with the best light possible *Catholic Discussion of Seventh-day Adventism* Stephen Korsman,2016-08-29 Seventh day Adventists give Catholics a hard time with the misinformation they spread about the Catholic Church and the day of the week they worship on This ebook is one Catholic s study of Adventist claims the Bible and the Catholic Church It attempts to show the biblical basis for Christianity s abandonment of the Old Testament sabbath the biblical basis for Sunday observance and takes a look at other pertinent topics relating to Adventism and Catholicism *A Biblical Theology of Water* Eric R. Waller,2024-05-30 Water It s in nearly every book of the Bible The world was made from water and was flooded by it People were both killed and saved by it Life requires water It was in Eden and will be in the New Jerusalem Moses David and most of the Old Testament prophets spoke about it as did Jesus Peter and John So why has no one yet figured out what all this water talk is about God is revealing something exciting using water as his means of communication In this book nearly all the uses of water throughout the Bible have been examined and organized into common categories The mentions of water have ramifications for other major biblical

teachings such as on the work of the Holy Spirit salvation and baptism This work unveils something that has remained hidden to most until now a biblical theology of water      *Wrinkled Sheets and God'S Grace* Doreen Priscilla Brown,2014-08-06 Too many people particularly young women find themselves at the crossroads of life saddled with guilt pain and conflict because of unwise relational choices Others find themselves at still a different crossroad where they are conflicted about choosing a partnerwhether to wait on God help God out or just throw in the towel In *Wrinkled Sheets and Gods Grace* author Doreen Priscilla Brown presents relevant spiritual insights into making the right choices in relationships and she provides comfort through God to those women who have been hurt by their unwise choices Through scriptural references stories from the Bible and inspirational quotations she communicates the importance of selecting a partner who shares the same spiritual values and life goalsmaking sure Jesus plays a central role Providing insight into such topics as premarital sex and living together before marriage *Wrinkled Sheets and Gods Grace* explains that for a relationship to be all God wants it to be both parties have to be intentional about putting Jesus Christ first and last in all matters and be willing to function under the authority of his statutes      *LifeLine Bible Study Guides* Kurt Johnson,1995-04 Designed for small groups or individuals who want to study the key doctrines of the Bible in an easy to use format covers 27 topics in two books      *G.K.
