Kowalski,2023-04-11 INDIANA JONES AND PHILOSOPHY What does it mean to choose wisely Can heroes seek fortune and glory Why does Indy take a leap of faith Do Indy s adventures provide him evidence of the supernatural Should we hide the Ark of the Covenant in a military controlled warehouse Why are museums so important to archaeology If adventure has a name it must be Indiana Jones He s both a mild mannered archaeology professor and an intrepid adventurer traversing the globe in search of lost artifacts Whether seeking the Ark of the Covenant in Egypt the Sankara Stones in India the Holy Grail in Turkey or a mysterious crystal skull in Peru Indy s adventures never fail to delight audiences Indiana Jones and Philosophy takes you on a whirlwind journey to investigate some of the most enduring questions about the human condition You ll read about how Indy has wronged Marion Ravenwood how a virtuous person would make amends the strides Indy makes to repair his relationship with his father why Indy distinguishes fact from truth when he pursues archaeological treasures and much more With trusty guides such as Aristotle Camus Kant and Nietzsche at your side you ll consider possible answers to these questions and see Indiana Jones in a whole new light Comprehensive immersive and engaging Indiana Jones and Philosophy offers you an accessible and lively opportunity to dive deeper into the world of Indiana Jones and appreciate the character s greatness anew **Analyzing Adventure Time** Paul A. Thomas,2023-07-20 In 2010 Cartoon Network debuted a new animated series called Adventure Time and within just a few short years the show became both a pop culture phenomenon and a critical darling But despite all the admiration not many works of scholarship have assessed the show through a critical lens This anthology is an attempt to fill this scholarly oversight and spark a wider conversation about the show s deeper themes Across 15 scholarly essays this book s contributors study Adventure Time from a variety of angles proving just how insightful the series really is From a consideration of BMO s queer identity to a psychoanalytic reading of Lemongrab and an examination of how anime has impacted the show the topics explored in this anthology are diverse and unique and are likely to appeal to scholars and fans alike *Religion and Popular Culture in America, Third Edition* Bruce David Forbes,Jeffrey H. Mahan,2017-03 Since 2000 Religion and Popular Culture in America has been one of the standard books used in teaching this area of study Modestly updated in 2005 it continues to be taught in colleges universities and theological schools across the continent The basic four part structure of Religion and Popular Culture in America remains sound and is a feature that appeals to many who have taught the volume Section One Religion in Popular Culture examines the way traditional religious symbols narratives and forms of religious practice appear in popular culture Section Two Popular Culture in Religion considers how religion takes on and is reshaped by styles and values of popular culture Section Three Popular Culture as Religion explores the ways that aspects of popular culture and their reception might be considered to be forms of religion Section Four Religion and Popular Culture in Dialogue introduces religiously based critiques of popular culture and ways that popular culture articulates common critiques of religion The

third edition maintains the structure and basic length of the current edition and retains Forbes introductory framework and update versions of key essay But they replace many of the more dated subjects with new material drawing on more contemporary examples A concluding essay by Mahan organizes key insights from the essays and relates them to the theories of popular culture illuminated in the introduction Provided by publisher Mister Rogers and Philosophy Eric J. Mohr, Holly K. Mohr, 2019-10-15 Mister Rogers Neighborhood which began as The Children's Corner in 1953 and terminated in 2001 left its mark on America The show's message of kindness simplicity and individual uniqueness made Rogers a beloved personality while also provoking some criticism because by arguing that everyone was special without having to do anything to earn it the show supposedly created an entitled generation In Mister Rogers and Philosophy thirty philosophers give their very different takes on the Neighborhood phenomenon Rogers's way of communicating with children has a Socratic dimension and is compared with other attempts to cultivate philosophy in children Wonder is the origin of philosophy and science and Mister Rogers always looked for wonder Did Mister Rogers unwittingly create the Millennials by his message that everyone is special What Martin Buber's I-Thou philosophy can tell us about Fred Rogers's attempt to rehabilitate children's television X the Owl obsesses Daniel Tiger regresses Lady Elaine displaces anger King Friday controls how puppets can be used to teach us about feelings Fred Rogers's indirect communication is key to the show and most evident in the land of make-believe where he doesn't make himself known How Mister Rogers helps us see that the ordinary world is extraordinary if we're willing to open ourselves up to it How does Mister Rogers's method of teaching compare with Maria Montessori's Fred Rogers and Carl Rogers have a lot in common The Neighborhood is observed in the light of Rogerian therapy Mister Rogers's view of evil is closer to Rousseau than to Voltaire Fred Rogers gave a non-philosophical interpretation of the philosophical approach known as personalism Daoism helps us understand how Fred Rogers the antithesis of a stereotypical male could achieve such success as a TV star In the show and in his life we can see how Rogers lived the ethics of care Puppets help children understand that persons are not isolated but interconnected Mister Rogers showed us that talking and singing about our feelings makes them more manageable Mimetic Theory and Film Paolo Diego Bubbio, Chris Fleming, 2019-02-21 The interdisciplinary French-American thinker Ren Girard 1923-2015 has been one of the towering figures of the humanities in the last half century The title of Ren Girard's first book offered his own thesis in summary form romantic lie and novelistic truth mensonge romantique et vrit romanesque And yet for a thinker whose career began by an engagement with literature it came as a shock to some that in *La Conversion de l'art* Girard asserted that the novel may be an outmoded form for revealing humans to themselves However Girard never specified what if anything might take the place of the novel This collection of essays is one attempt at answering this question by offering a series of analyses of films that aims to test mimetic theory in an area in which relatively little has so far been offered Does it make any sense to talk of vrit filmique In addition *Mimetic Theory and Film* is a response to the widespread objection that there is no viable Girardian aesthetics One

of the main questions that this collection considers is can we develop a genre specific mimetic analysis of film and are we able to develop anything approaching a Girardian aesthetic Each of the contributors addresses these questions through the analysis of a film

Divergent and Philosophy Courtland Lewis,2015-12-01 Courtland Lewis has scoured the planet to bring together the most talented faction members factionless and even a few from the Bureau to discuss the philosophy of Divergent Divergent and Philosophy begins by examining the personal struggles that all people face at some time What sort of person should I be What if I find out my life is a lie What do I owe my parents Am I normal Once readers have finished answering these questions they re ready for the choosing ceremony Part two examines each faction looking at its virtues vices and other features that will help readers pick the right faction This part gives readers a glimpse into what it s like to be faced with the most important decision of our lives the one that will forever determine who we are Part three takes a step takes a step back in order to question Chicago s ordering of society Chicago is on the verge of revolution but is this the result of the faction system itself or is it the people within the factions that are behind the social discord Part four shifts the focus individuals and those who hold power Part five tells us how to recognize injustice

Orange Is the New Black and Philosophy Richard Greene,Rachel Robison-Greene,2015-08-17 This collection of eighteen chapters by talented philosophical minds probes some of the many lessons to be learned from Orange Is the New Black mostly the addictive Netflix comedy drama but with some attention to the best selling real life book by Piper Kerman The show and the book that inspired it both dramatically highlight the troubling stressful situation of millions of incarcerated Americans How do the show s shower scenes shed light on the classical mind body problem How can we make our lives meaningful when our options are curtailed by authority What does it mean to manipulate someone and why is it bad What can we learn about the peculiarity of human beliefs from Pennsatucky s notion of the gay agenda Is Litchfield Prison a preparation for life outside or just a scale model of life outside What could the

governors of Litchfield learn from Jeremy Bentham and his panopticon How is it that even in prison we find ourselves condemned to be free Why is one of the worst things about prison being forced to see who and what we really are It so happens that life in prison is absolutely full and overfull of philosophical implications Orange Is the New Black and Philosophy stays close to the characters and scenes of the TV show applying insights from ethics existentialism metaphysics epistemology and political philosophy The book is aimed at thoughtful fans of this amazingly fine TV show who want to learn more about its disturbing issues Downton Abbey and Philosophy Adam Barkman,Robert Arp,2015-10-19 In Downton Abbey and Philosophy twenty two professional thinkers uncover the deeper significance of this hugely popular TV saga Millions of viewers throughout the world have been enthralled by this enactment of a vanished world of decorum and propriety because it presents us with emotional and interpersonal problems that remain urgent for people in the twenty first century Why do we attach such importance to our memories and to particular places What do war and epidemics tell us about life in peacetime and in good health Is it healthy or harmful for people to feel that they know their place What does Downton Abbey teach us about the changes in women s roles since 1912 Do good manners always agree with good morals How can everybody know what no one will talk about What s the justification for a class of people who pride themselves on not having a job Should we sometimes just accept the reality of social barriers to love and abandon the pursuit What happens when community reinforces oppression All of these and many other issues are discussed through a detailed examination of the actual characters and situations in Downton Abbey The Princess Bride and Philosophy Richard Greene,Rachel Robison-Greene,2015-11-14 The Princess Bride is the 1987 satirical adventure movie that had to wait for the Internet and DVDs to become the most quoted of all cult classics The Princess Bride and Philosophy is for all those who have wondered about the true meaning of Inconceivable why the name Roberts uniquely inspires fear and whether it s truly a miracle to restore life to someone who is dead but not necessarily completely dead The Princess Bride is filled with people trying to persuade each other of various things and invites us to examine the best methods of persuasion It s filled with promises some kept and some broken and cries out for philosophical analysis of what makes a promise and why promises should be kept It s filled with beliefs which go beyond the evidence and philosophy can help us to decide when such beliefs can be justified It s filled with political violence both by and against the recognized government and therefore raises all the issues of political philosophy Westley Buttercup Prince Humperdinck Inigo Montoya the giant Fezzik and the Sicilian Vizzini keep on re appearing in these pages as examples of philosophical ideas Is it right for Montoya to kill the six fingered man even though there is no money in the revenge business What s the best way to deceive someone who knows you re trying to deceive him Are good manners a kind of moral virtue Could the actions of the masked man in black truly be inconceivable even though real What does ethics have to say about Miracle Max s pricing policy How many shades of meaning can be conveyed by As You Wish **The Ultimate Walking Dead and Philosophy** Wayne Yuen,2016-01-12 In The Walking Dead human beings

are pushed to their limits by a zombie apocalypse and have to decide what really matters Good and evil freedom and slavery when one life has to be sacrificed for another even the nature of religion all the ultimate questions of human existence are posed afresh as the old society crumbles away and a new form of society emerges with new beliefs and new rules The Ultimate Walking Dead and Philosophy brings together twenty philosophers with different perspectives on the imagined world of this addictive TV show How can we keep our humanity when faced with such extreme life or death choices Did Dr Jenner do the right thing in committing suicide when all hope seemed to be lost Does the Governor as the new Machiavelli prove that willingness to repeatedly commit murder is the best technique for getting and keeping political power Why do most characters place such importance on keeping particular individuals alive especially children What can we learn about reality from Rick's haunting hallucinations

Theorizing Stupid Media Aaron Kerner, Julian Hoxter, 2019-11-05 This book explores the stupid as it manifests in media the cinema television and streamed content and videogames The stupid is theorized not as a pejorative term but to address media that fails to conform to established narrative conventions often surfacing at evolutionary moments The Transformers franchise is often dismissed as being stupid because its stylistic vernacular privileges kinetic qualities over conventional narration Similarly the stupid is often present in genre fails like mother or in instances of narrative dissonance joyously in Adventure Time more controversially in Gone Home where a story feels off It also manifests in ludonarrative dissonance when gameplay and narrative seemingly run counter to one another in videogames like Undertale and Bioshock This book is addressed to those interested in media that is quirky spectacle driven or generally hard to place stupid

Theory in Social and Cultural Anthropology R. Jon McGee, Richard L. Warms, 2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will In response SAGE Reference plans to publish the two volume Theory in Social and Cultural Anthropology An Encyclopedia Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader's Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader's Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to

easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion

The Dialogic Imagination M. M. Bakhtin, 2010-03-01 These essays reveal Mikhail Bakhtin 1895 1975 known in the West largely through his studies of Rabelais and Dostoevsky as a philosopher of language a cultural historian and a major theoretician of the novel *The Dialogic Imagination* presents in superb English translation four selections from *Voprosy literaturny i estetiki* Problems of literature and esthetics published in Moscow in 1975 The volume also contains a lengthy introduction to Bakhtin and his thought and a glossary of terminology Bakhtin uses the category novel in a highly idiosyncratic way claiming for it vastly larger territory than has been traditionally accepted For him the novel is not so much a genre as it is a force of newness which he discusses in *From the Prehistory of Novelistic Discourse* Two essays *Epic and Novel* and *Forms of Time and of the Chronotope in the Novel* deal with literary history in Bakhtin's own unorthodox way In the final essay he discusses literature and language in general which he sees as stratified constantly changing systems of subgenres dialects and fragmented languages in battle with one another

More Doctor Who and Philosophy Courtland Lewis, Paula Smith, 2015-10-15 *More Doctor Who and Philosophy* is a completely new collection of chapters additional to *Doctor Who and Philosophy* 2010 by the same editors Since that first *Doctor Who and Philosophy* much has happened in the Whoniverse a new and controversial regeneration of the Doctor multiple new companions a few creepy new enemies of both the Doctor and planet Earth And the show's fiftieth anniversary We've learned some astounding new things from the ever developing story that the Doctor's number one rule is to lie that he claims to have forgotten his role in the mass extermination of the Time Lords and the Daleks that the Daleks do have a concept of divine beauty divine hatred of course and that Daleks may become insane didn't we assume they already were Oh and the cult of the Doctor keeps growing worldwide with more cultish fans in the US more and bigger Who conventions more viewers of all ages and more serious treatment by scholars from many disciplines New questions have been raised and new questioners have come along so there are plenty of new topics for philosophical scrutiny Is the impossible girl really impossible Is there anything wrong with an inter species lesbian relationship the kids weren't quite ready for that in 1963 but no one blinks an eye in 2015 Can it really be right for the Doctor to lie and to selectively forget We even have two authors who have figured out how to build a TARDIS instructions included Wait there's a catch no And then there's that old question that just won't go away why does the Doctor always regenerate as a male and is that ever going to change An added feature of this awesome new volume is that the editors have reached out to insiders of Who fandom people who run hugely successful Who conventions play in Who inspired bands and run wildly popular podcasts and websites to share their privileged insights into why the Doctor is so philosophically deep No more spoilers It's time for the truly thoughtful travelers in both time and space to rev up the TARDIS once more Allons y
