Advent Christmas And Epiphany Liturgies And Prayers For Public Worship:

Advent, Christmas, and Epiphany Brian A. Wren, 2008-01-01 Preeminent hymn writer and liturgist Brian Wren offers this new collection of worship resources suitable for a variety of worship traditions during Advent Christmas and Epiphany. These theologically sound and creative worship resources include prayers, litanies, calls to worship, and complete liturgies crafted to encourage rhythmic public responses during worship. All material is drawn from the readings from all three years of the Revised Common Lectionary. This collection also contains Scripture selections from the nativity narratives in Matthew and Luke and the messianic sections of Isaiah and the Psalms, making it just as useful to churches that do not follow the Revised Common Lectionary. Additional features of this volume include a Scripture index that points users to materials drawn from passages, a topical index listing items that can be used on other occasions during the church year. *Hymns for Today*

Brian A. Wren, 2009-01-01 Few can argue with the power of music to touch the heart. Voices shared in worshipful song allow us to honor God in a truly beautiful way. In *Hymns for Today*, renowned hymn writer Brian Wren helps us understand why this is so. Wren surveyed hundreds of hymns written since the 1960s to compile this discussion of forty hymn poems and to share the insights they provide for Christian faith. These contemporary hymns are analyzed for how they express Christian faith and traditional themes in fresh ways. Questions for discussion are included for each chapter, making this book an excellent group study resource. The *For Today* series was designed to provide reliable and accessible resources for the study and real-life application of important biblical texts, theological documents, and Christian practices. The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today. Thought-provoking questions are included at the end of each chapter, making the books ideal for personal study and group use. *Christianity: A Brief Survey*

Michael D. Robinson, 2022-05-13 Christianity is a way of life centered on the person, life, teaching, death, and resurrection of Jesus the Christ. As a religious way of life, Christianity is multifaceted, involving numerous beliefs and practices. This book explores many of the varied facets of the Christian faith, including its foundations in the story of Israel, the person of Jesus, the early Christian community, and the sacred text called the Bible. In turn, Robinson's book examines Christianity's core doctrines, ethical norms, and worship practices, rounding out the study by considering four key contemporary challenges faced by Christian believers: namely, the problem of evil, the relationship of Christianity to other religions and to science, and the role of women in church and society. Among the strengths of this book is that it addresses these multiple features of Christianity in a single volume; it is aptly titled *Christianity: A Brief Survey*. *My Faith, My Life*
