Adventures Bungalow Bill David Moran:

The Adventures of Bungalow Bill David J. Moran, 2015-12-02 This book is about people who to their minds The world owes them a living for they never asked to be born They are more than prepared to lie and cheat out of any situation they have created and if it is a matter of finding property well if its not screwed down they have the right to steal it because they didn t have one I am sure all of us can put the name to their Bungalow Bill as all of us know one For readers do not know this term it is for an person lacking in their upper stories of their brain or simply not much on top This is another new and light hearted novel not a skit on the Welsh I promise by the author David J Moran has once more put pen to paper with another change of genre that he has so far used to publish nine previous books to date He is confident that this book deserves a sequel which he will write in 2016 Thank You All **The Further Adventures of Bungalow Bill!** David. J.

Moran, 2016-10-21 This is the second book of Bungalow Bill where Phil s life has changed dramatically Pearl his new girl friend has been murdered by Dia Reece Marion s husband when he learns of their relationship Then Phil is able to create a new relationship with Mrs Dia Reece and all of a sudden he is in the money his future he could see even more money coming his way However Phil has a few problems the name he is using is not his not that that is a problem as ever he has friends that can alter Birth Certificates as well as many other things he is cunning and sly always there has to be an out where dear Phil can slip away to start yet another new life as so often he has done in the past This time is different he falls in love partly with Marion her money or property which is important he is not sure but as he is fire proof he goes along for the ride but the further he goes the more problems arise The police are still checking up on him they are not satisfied with his accounts since his arrival in Wales yet despite all his answers a suspicion lingers Was he a murder of a Doctor was he a thief as money went missing from the Doctors account after the Doctor was identified in a burnt out stolen car Then there was a lot of questions about treasure that had come into his hands as well as the death of Pearls sister or the man called Brian the same Brian who forged Phil s new identity then lastly Brian s death in a pit close by Phil s Cottage But even all this does not shake our Phil he is in for the long run he is now too well established to let a few minor details such as above worry him he is in a land of his dreams regular sex which far above levels he has experienced before leaving him almost exhausted every time but this too sounds a warning bell in his head Marion is the driving force in their relationship had she been in her previous marriage why was Pearl pregnant with Dia s child yet Marion had none of her own In photographs Phil see s Marion with her two brothers they are all dressed the same clothing she was physically the same build as her brothers and there was never photographs of Marion in dresses was this another problem As all good plans built on sand one day all will slip away as Phil and Marion found as they tried to leave the country on their Honeymoon Phil was arrested then at a Magistrates Court Remanded to a prison and because of the charges he seeks to be a professional prisoner money no object as he seeks an escape route to impress his fellow convicts yet in his cell Phil is scared he does not want to lose all that he thought he had gained Marion was

being a sole mate she still thought he was saving although she had already told him the false identity their marriage was not now recognised all the papers he had signed with Marion she was the only one to whom all legal documents and entitlements she would be the custodian of all their working bank accounts property if he was found guilty The Jury of Phil's peers come back into Courtroom ready to deliver their verdict however when you finish reading this book my next book in this sequence of this story will be by the vote you let me know of your decision So is Phil Smith in your opinion Guilty or not Guilty My next book remains in your vote please contact me on www.davidjmoran.co.uk or Boatyardsparrow@aol.com Thank you David J

Moran, 2018-10-24 You probably have read the books *The Adventures of Bungalow Bill* then *The Further Adventures of Bungalow Bill* and now the last in the series is *The Very Last Adventure of Bungalow Bill* this was not an easy book to write as I asked for ideas from my readers many of which I used thank you I am afraid I did not understand what feelings of repugnancy hatred as well as ill feelings I had caused when I left myself open for such abuse however in my own defence I can now reveal that this in a major part is a true story for a clue into my area of expertise please read my web page Bill now has the whole world opening for him a little bit of murder death deceit wholesale lying free sex and for the first time in his live LOVE to what effect as he juggles with what life throws at him he starts to gain property WORK as unbelievable as it would seem attend Collage while working equally hard in discovering a new identity that he needed to use as his old one has too much baggage attached to his own name if he could really remember it However like most of Billy's plan there are consequences for as he goes hunting for the supporting official paperwork to support his quest for his new identity not only does he discover all go the paperwork he requires but also a revolver with ammunition all in the same place in custody of what he believes is an ancient grieving mother mourning the death of her son who lost his life at such a tender age But he is never far from crime which is constantly beaconing his attendance for on his travels in a stolen car to Wales accidentally kills a man then as he puts him in the driving seat the car somehow goes backwards over the slight cliff off the road In pouring

rain he falls into a ditch nearly drowns to be saved by a couple with sheep in between the back seat and taken to their home only then during breakfast he meets the couples son a Police Man returned promptly to the spot he was discovered He is once again on his toes and meets Pearl the owner of a long cottage in the actual state of being modernised by a married workman who regards Pearl as for his attentions only yet Billies charm winds the day and Pearl eventually invites Billy to her bed The outcome is that she is murdered and Billy inherits the Long Cottage as time passes he accidentally locates hidden stolen coins stolen by a husband who was Pearls friend whose wife Marion will be Billy s new love mistress as well as teacher and guide later in the story I digress sorry Pearls sister catches Marion and Billy in a sexual embrace and commits suicide And so on more and more ill luck for Billy it is hard for him to understand why it is him to blame all the time and in the last book Billy is in prison hard to believe I know even their more bad luck is still following him to understand the hard ship he is suffering I have used prisoners slang so you could feel with one as the convicts go about their live in custody Again another accidental death that Billy has no knowledge of yet a friend needs Billy on the outside as quick as possible for forces without need a shooter ASP and it would seem Billy fits the package they require a man of experience The Judge is convinced that the best answer is to change the Life sentence to one of a Hospital Order so in the believe of an early release Billy complies unfortunately The grass is no greener on the other side of the fence especially when the date is altered with further evidence from no less a person than Mr Plod a Policeman from Marion s and Billies village so Billy escapes to seek vengeance and yes more murder he does again commit The ending one given to me by email I leave you to read for yourself Thank you everybody I really enjoyed fill in the gaps David J Moran *The New York State Exhibitor ...* ,1938 *Los Angeles Magazine* ,2002-05 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Feature Films, 1940-1949** Alan G.
