Adversaries Of Dance From The Puritans To The Present

Kéline Gotman

Adversaries Of Dance From The Puritans To The Present:

Adversaries of Dance Ann Louise Wagner,1997 Whether in the private parlor public hall commercial dance palace or sleazy dive dance has long been opposed by those who viewed it as immoral more precisely as being a danger to the purity of those who practiced it particularly women In *Adversaries of Dance* Ann Wagner presents a major study of opposition to dance over a period of four centuries in what is now the United States Wagner bases her work on the thesis that the tradition of opposition to dance derived from white male Protestant clergy and evangelists who argued from a narrow and selective interpretation of biblical passages and that the opposition thrived when denominational dogma held greater power over people's lives and when women's social roles were strictly limited Central to Wagner's work which will be welcomed by scholars of both religion and dance are issues of gender race and socioeconomic status

Dance, Spectacle, and the Body Politick, 1250-1750 Jennifer Nevile,2008-06-25 From the mid 13th to the mid 18th century the ability to dance was an important social skill for both men and women Dance performances were an integral part of court ceremonies and festivals and in the 17th and 18th centuries of commercial theatrical productions Whether at court or in the public theater danced spectacles were multimedia events that required close collaboration among artists musicians designers engineers and architects as well as choreographers In order to fully understand these practices it is necessary to move beyond a consideration of dance alone and to examine it in its social context This original collection brings together the work of 12 scholars from the disciplines of dance and music history Their work presents a picture of dance in society from the late medieval period to the middle of the 18th century and demonstrates how dance practices during this period participated in the intellectual artistic and political cultures of their day

Choreography Invisible Anna Pakes,2020 Dance is often considered an ephemeral art one that disappears nearly as soon as it materializes leaving no physical object behind While most cultural works are tangible like books in print and framed artworks on display the practice of dance remains more elusive Dance involves people trying to embody some abstract unwritten thing that exists before and survives beyond their particular acts of dancing But what exactly is that thing For that matter what is a dance And do dances continue to exist when not performed Anna Pakes seeks to answer these questions and more in this exciting new volume which investigates what sort of thing dance really is Focusing on Western theater dance *Choreography Invisible The Disappearing Work of Dance* explores the metaphysics of dance and choreographic works The volume traces the different ways dances have been conceptualized across time through such lenses as the cultural theory of Derrida the philosophy of Rancière and Baudouin and contemporary dance theory It examines how dances have survived through time and what it means for a dance work to be forgotten and lost In her exploration of the amorphous and fleeting nature of dance as a cultural object Pakes ultimately transforms the way we understand the very nature of art

Ringleaders of Redemption Kathryn Dickason,2021 In popular thought Christianity is often figured as being opposed to dance Throughout the medieval era the Latin Church

denounced and prohibited dancing often aligning it with demonic intervention lust pride and sacrilege However Ringleaders of Redemption reveals how the historical sources including biblical commentaries sermons saints lives ecclesiastical statutes mystical treatises vernacular literature and iconography from France Italy Germany England Spain and beyond tell a different story During the High and Late Middle Ages Western theologians liturgists and mystics not only tolerated dance they transformed it into a dynamic component of religious thought and practice Flamenco and Bullfighting Adair Landborn,2015-09-16 Flamenco dance and bullfighting are parallel arts with shared traditions performance conventions and vocabularies of movement This volume introduces readers to an ongoing discussion in Spanish scholarship about the links between these two quintessentially Spanish arts The author a dancer and a student of bullfighting describes the informal practice of both arts in private settings and their emergence as formal public rituals in the bullfighting arena and on the flamenco stage Key bullfighting techniques and their influence on flamenco dance style are discussed in the context of understanding the worldview and kinesthetic culture of Spain Glamour Addiction Juliet McMains,2024-08-01 In the wake of the blockbuster television success of Dancing with the Stars competitive ballroom dance has become a subject of new fascination and renewed scrutiny Known by its practitioners as DanceSport ballroom is a significant dance form and a fascinating cultural phenomenon In this first in depth study of the sport dancer and dance historian Juliet McMains explores the Glamour Machine that drives the thriving industry delving into both the pleasures and perils of its seductions She further explores the broader social issues invoked in American DanceSport representation of Latin economics that often foster inequality and issues of identity including gender race class and sexuality Putting ballroom dance in the larger contexts of culture and history Glamour Addiction makes an important contribution to dance studies while giving new and veteran enthusiasts a unique and unprecedented glimpse behind the scenes Beyond Broadway Stacy Ellen Wolf,2020 The idea of American musical theatre conjures up images of bright lights and big city but its lifeblood is found in local and amateur productions at schools community theatres summer camps and more In Beyond Broadway author Stacy Wolf considers the widespread presence and persistence of musical theatre in U S culture and examines it as a live pleasurable participatory experience of creating watching and listening Why does local musical theatre flourish in America Why do so many Americans passionately engage in a century old artistic practice that requires intense person to person collaboration Why do audiences flock to see musicals in their hometowns How do corporations like Disney and Music Theatre International enable musical theatre s energetic movement through American culture Touring from Maine to California Wolf visits elementary schools a middle school performance festival afterschool programs high schools summer camps state park outdoor theatres community theatres and dinner theatres and conducts over 200 interviews with practitioners and spectators licensors and Disney creatives In Beyond Broadway Wolf tells the story of musical theatre s abundance and longevity in the U S as a thriving joyful activity that touches millions of lives Fields in Motion Dena Davida,2011-10-01 Fields in Motion Ethnography in the

Worlds of Dance examines the deeper meanings and resonances of artistic dance in contemporary culture. The book comprises four sections: methods and methodologies, autoethnography, pedagogies and creative processes, and choreographies as cultural and spiritual representations. The contributors bring an insiders' insight to their accounts of the nature and function of these artistic practices, giving voice to dancers, dance teachers, creators, programmers, spectators, students, and scholars. International and intergenerational, this collection of groundbreaking scholarly research points to a new direction for both dance studies and dance anthropology. Traditionally the exclusive domain of aesthetic philosophers, the art of dance is here reframed as cultural practice, and its significance is revealed through a chorus of voices from practitioners and insider ethnographers.

A Renegade History of the United States Thaddeus Russell, 2011-07-05 From the Publisher: In this groundbreaking book, noted historian Thaddeus Russell tells a new and surprising story about the origins of American freedom. Rather than crediting the standard textbook icons, Russell demonstrates that it was those on the fringes of society whose subversive lifestyles helped legitimize the taboo and made America the land of the free. In vivid portraits of renegades and their respectable adversaries, Russell shows that the nation's history has been driven by clashes between those interested in preserving social order and those more interested in pursuing their own desires: insiders versus outsiders, good citizens versus bad. The more these accidental revolutionaries existed, resisted, and persevered, the more receptive society became to change. Russell brilliantly and vibrantly argues that it was history's iconoclasts who established many of our most cherished liberties. Russell finds these pioneers of personal freedom in the places that usually go unexamined: saloons and speakeasies, brothels and gambling halls, and even behind the Iron Curtain. He introduces a fascinating array of antiheroes: drunken workers who created the weekend prostitute, who set the precedent for women's liberation; including Diamond Jessie Hayman, a madam who owned her own land, used her own guns, provided her employees with clothes on the cutting edge of fashion, and gave food and shelter to the thousands left homeless by the 1906 San Francisco earthquake; there are also the criminals who pioneered racial integration, unassimilated immigrants who gave us birth control, and brazen homosexuals who broke open America's sexual culture. Among Russell's most controversial points is his argument that the enemies of the renegade freedoms we now hold dear are the very heroes of our history books: he not only takes on traditional idols like John Adams, Thomas Jefferson, Andrew Carnegie, John Rockefeller, Thomas Edison, Franklin Roosevelt, and John F. Kennedy, but he also shows that some of the most famous and revered abolitionists, progressive activists, and leaders of the feminist, civil rights, and gay rights movements worked to suppress the vibrant energies of working-class women, immigrants, African Americans, and the drag queens who founded Gay Liberation. This is not history that can be found in textbooks; it is a highly original and provocative portrayal of the American past as it has never been written before.

Ballroom, Boogie, Shimmy Sham, Shake Julie Malnig, 2023-01-10 This dynamic collection documents the rich and varied history of social dance and the multiple styles it has generated while drawing on some of the most current forms of critical and theoretical inquiry.

The essays cover different historical periods and styles encompass regional influences from North and South America Britain Europe and Africa and emphasize a variety of methodological approaches including ethnography anthropology gender studies and critical race theory While social dance is defined primarily as dance performed by the public in ballrooms clubs dance halls and other meeting spots contributors also examine social dance s symbiotic relationship with popular theatrical stage dance forms Contributors are Elizabeth Aldrich Barbara Cohen Stratyner Yvonne Daniel Sherril Dodds Lisa Doolittle David F Garc a Nadine George Graves Jurretta Jordan Heckscher Constance Valis Hill Karen W Hubbard Tim Lawrence Julie Malign Carol Martin Juliet McMains Terry Monaghan Halifu Osumare Sally R Sommer May Gwin Waggoner Tim Wall and Christina Zanfagna

The Persistence of the Soul in Literature, Art and Politics Delphine Louis-Dimitrov, Estelle Murail, 2023-12-28 This book analyses the evolution of literary and artistic representations of the soul exploring its development through different time periods The volume combines literary aesthetic ethical and political considerations of the soul in texts and works of art from the seventeenth to the twenty first centuries spanning cultures and schools of thought Drawing on philosophical religious and psychological theories of the soul it emphasizes the far reaching and enduring epistemological function of the concept in literature art and politics The authors argue that the concept of the soul has shaped the understanding of human life and persistently irrigated cultural productions They show how the concept of soul was explored and redefined by writers and artists remaining relevant even as it became removed from its ancient or Christian origins

Shanghai Nightscapes James Farrer, Andrew David Field, 2015-08-03 The pulsing beat of its nightlife has long drawn travelers to the streets of Shanghai where the night scene is a crucial component of the city s image as a global metropolis In Shanghai Nightscapes sociologist James Farrer and historian Andrew David Field examine the cosmopolitan nightlife culture that first arose in Shanghai in the 1920s and that has been experiencing a revival since the 1980s Drawing on over twenty years of fieldwork and hundreds of interviews the authors spotlight a largely hidden world of nighttime pleasures the dancing drinking and socializing going on in dance clubs and bars that have flourished in Shanghai over the last century The book begins by examining the history of the jazz age dance scenes that arose in the ballrooms and nightclubs of Shanghai s foreign settlements During its heyday in the 1930s Shanghai was known worldwide for its jazz cabarets that fused Chinese and Western cultures The 1990s have seen the proliferation of a drinking music and sexual culture collectively constructed to create new contact zones between the local and tourist populations Today s Shanghai night scenes are simultaneously spaces of inequality and friction where men and women from many different walks of life compete for status and attention and spaces of sociability in which intercultural communities are formed Shanghai Nightscapes highlights the continuities in the city s nightlife across a turbulent century as well as the importance of the multicultural agents of nightlife in shaping cosmopolitan urban culture in China s greatest global city To listen to an audio diary of a night out in Shanghai with Farrer and Field click here <http://n.pr/1VsIKAw>

The Subjective Eye Richard

Valantasis, Deborah J. Haynes, James D. Smith III, Janet F. Carlson, 2006-05-15 One of the great joys of the academic life is to pay homage in a Festschrift to a scholar who has influenced both colleagues and students over years of interaction and friendship both professional and personal This volume honors a scholar and theologian of historical theology a theorist and a practitioner of religion and the arts and a keen analyst of cultural trends both ancient and modern Margaret R Miles's prodigious production as a scholar has legendary qualities Her dozen plus books alone explore history patristics ancient philosophy art and art history spiritual formation and religious practice critical theory film ethics and values personal growth gender and women's studies as well as her true academic loves Augustine and Plotinus The breadth and depth of her own work and her influence upon others demands an expansive volume which the editors of this Festschrift unfortunately had to restrict to four categories Historical Theology Religion and Culture Religion and Gender and Religion and the Visual Arts in order to capture the heart of our appreciation for her from the Introduction

Choreomania Kéline Gotman, 2018 When political protest is read as epidemic madness religious ecstasy as nervous disease and angular dance moves as dark and uncouth the disorder being described is choreomania At once a catchall term to denote spontaneous gestures and the unruly movements of crowds choreomania emerged in the nineteenth century at a time of heightened class conflict nationalist policy and colonial rule In this book author Kéline Gotman examines these choreographies of unrest rethinking the modern formation of the choreomania concept as it moved across scientific and social scientific disciplines Reading archives describing dramatic misformations of bodies and body politics she shows how prejudices against expressivity unravel in turn revealing widespread anxieties about demonstrative agitation This history of the fitful body complements stories of nineteenth century discipline and regimentation As she notes constraints on movement imply constraints on political power and agency In each chapter Gotman confronts the many ways choreomania works as an extension of discourses shaping colonialist orientalism which alternately depict riotous bodies as dangerously infected others and as curious bacchanalian remains Through her research Gotman also shows how beneath the radar of this colonial discourse men and women gathered together to repossess on their terms the gestures of social revolt

Designed for Dancing Janet Borgerson, Jonathan Schroeder, 2021-10-19 When Americans mamboed in the kitchen waltzed in the living room polkaed in the pavilion and tangoed at the club with glorious full color record cover art In midcentury America eager dancers mamboed in the kitchen waltzed in the living room Watusied at the nightclub and polkaed in the pavilion instructed and inspired by dance records Glorious full color record covers encouraged them Let's Cha Cha Cha Dance and Stay Young Dancing in the Street Limbo Party High Society Twist In Designed for Dancing vinyl record aficionados and collectors Janet Borgerson and Jonathan Schroeder examine dance records of the 1950s and 1960s as expressions of midcentury culture identity fantasy and desire Borgerson and Schroeder begin with the record covers memorable and striking but largely designed and created by now forgotten photographers scenographers and illustrators which were central to the way records were conceived produced and

promoted Dancing allowed people to sample aspirational lifestyles whether at the Plaza or in a smoky Parisian caf and to affirm ancestral identities with Irish Polish or Greek folk dancing Dance records featuring ethnic music of variable authenticity and appropriateness invited consumers to dance in the footsteps of the Other with hot Latin music Afro Caribbean rhythms and Hawaiian hulas Bought at a local supermarket department store or record shop and listened to in the privacy of home midcentury dance records offered instruction in how to dance how to dress how to date and how to discover cool new music lessons for harmonizing with the rest of postwar America

Evolution and Victorian Culture Bernard V. Lightman, Bennett Zon, 2014-05-29 These essays examine the dynamic interplay between evolution and Victorian culture mapping new relationships between the arts and sciences

With Amusement for All LeRoy Ashby, 2006-05-12 With Amusement for All contextualizes what Americans have done for fun since 1830 showing the reciprocal nature of the relationships among social political economic and cultural forces and the ways in which the entertainment world has reflected changed or reinforced the values of American society

It Could Lead to Dancing Sonia Gollance, 2021-05-25 Dances and balls appear throughout world literature as venues for young people to meet flirt and form relationships as any reader of *Pride and Prejudice* *War and Peace* or *Romeo and Juliet* can attest The popularity of social dance transcends class gender ethnic and national boundaries In the context of nineteenth and twentieth century Jewish culture dance offers crucial insights into debates about emancipation and acculturation While traditional Jewish law prohibits men and women from dancing together Jewish mixed sex dancing was understood as the very sign of modernity and the ultimate boundary transgression Writers of modern Jewish literature deployed dance scenes as a charged and complex arena for understanding the limits of acculturation the dangers of ethnic mixing and the implications of shifting gender norms and marriage patterns while simultaneously entertaining their readers In this pioneering study Sonia Gollance examines the specific literary qualities of dance scenes while also paying close attention to the broader social implications of Jewish engagement with dance Combining cultural history with literary analysis and drawing connections to contemporary representations of Jewish social dance Gollance illustrates how mixed sex dancing functions as a flexible metaphor for the concerns of Jewish communities in the face of cultural transitions

A Body of Praise W. David O. Taylor, 2023-03-28 Do our physical bodies really matter in corporate worship Isn't our soul the most important part of us Aren't our bodies at best negligible to worship and at worst a hindrance The answer to this last question is categorically no as Christians have attested throughout history and across the global church The purpose of the body instead is to offer to God in worship what only it can offer and what must be offered to God By drawing on the wisdom of the Bible church history and theology and by taking advantage of the unique insights of the arts and sciences ethics and spiritual formation a respected theologian and pastor argues in this book that there is something for our physical bodies to do that decisively forms Christlikeness in us within the context of corporate worship What we do with our postures gestures and movements in worship matters How our senses of sight scent sound

taste and touch are involved in worship matters How our spontaneous and prescriptive activities form us in worship matters All of it matters to faithful and fulsome worship for the sake of a body that is fully alive in the praise of God *The Chautauqua Moment* Andrew Chamberlin Rieser, 2003 More than a college or a summer resort or a religious assembly the Chautauqua movement was a composite of all of these and for five decades after it began in 1874 Chautauqua dominated adult education and reached millions with its summer assemblies reading clubs and traveling circuits This critical study weaves the threads of Chautauqua into a single story and places it at the vital center of fin de siecle cultural and political history

Adversaries Of Dance From The Puritans To The Present Introduction

In the digital age, access to information has become easier than ever before. The ability to download Adversaries Of Dance From The Puritans To The Present has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Adversaries Of Dance From The Puritans To The Present has opened up a world of possibilities. Downloading Adversaries Of Dance From The Puritans To The Present provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Adversaries Of Dance From The Puritans To The Present has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Adversaries Of Dance From The Puritans To The Present. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Adversaries Of Dance From The Puritans To The Present. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Adversaries Of Dance From The Puritans To The Present, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Adversaries Of Dance From The Puritans To The Present has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Adversaries Of Dance From The Puritans To The Present Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Adversaries Of Dance From The Puritans To The Present is one of the best book in our library for free trial. We provide copy of Adversaries Of Dance From The Puritans To The Present in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Adversaries Of Dance From The Puritans To The Present. Where to download Adversaries Of Dance From The Puritans To The Present online for free? Are you looking for Adversaries Of Dance From The Puritans To The Present PDF? This is definitely going to save you time and cash in something you should think about.
