Keep the Faith Kevin Swanson,2014-03-15 An overview of Christian education throughout Church history intended to correct current unbiblical views on education *Great Christian Classics Volume 1* Kevin Swanson,2017-06-05 There is a wealth of great literature to study in the history of man some written by Christians and some by non Christians However the Christian student should direct special attention to literature produced by Christians The empires of man will always crumble and fall but the kingdom of Jesus Christ will continue forever This collection covers five of the greatest life narratives of all time A thorough study of these great books will help students understand the life theology and worldview of some of the greatest Christian men in church history Sit at the feet of some of the best teachers God has given to His church Augustine Confessions 354 430 Augustine is perhaps the most influential thinker of the first thousand years of Christian history This fifth century Christian wrote Confessions as a biography in the form of a prayer to God Patrick Confessions 387 493 Amid the chaos following the collapse of the Roman Empire Patrick a man of legendary faith led the way to the evangelization of the wild and pagan tribes of Ireland John Knox History of the Reformation In Scotland c 1510 1572 Few men have lived in more dangerous times than John Knox of Scotland Yet he led a reformation movement in a very dangerous land leaving a testimony for generations to come John Bunyan Grace Abounding 1628 1688 Great men tell great stories because they live them This is the case with John Bunyan whose personal testimony Grace Abounding records one of the most tumultuous and agonizing spiritual journeys John Paton Autobiography 1824 1907 The kingdom of God is only taken by force by courageous men of faith like John Paton whose missionary work among the cannibals in the New Hebrides is nothing short of legendary

Christian Faith and Life United Presbyterian Church in the U.S.A. Board of Christian Education, 1947 Qualities of Sound Christian Education Kevin F. Brownlee, 2014-03 Christian educators What does God require of teachers Are you integrating God's Word into every subject taught Are you training your student's heart and do you know how to teach honorable character self discipline and godly decision making Christian school trustees Do you know God's criteria when hiring teachers or administrators Are your school's policies statement of faith and curricula based on sound biblical doctrine Do you know what that doctrine is Do you know how to recognize and battle attacks from the enemies of your school Would you like advice and suggestions on fundraising Christian parents Do you know what to look for when choosing a Christian school Are you holding your children's school accountable to what God requires Is the school teaching the truth Can you distinguish truth from error Christian homeschoolers Are you obedient to God's education requirements Do you know how to choose curricula with godly principles Are you effectively training your children for lives of serving and glorifying God in whatever they do If you are looking for answers to any of the above then this book is for you Titus 2:1 says to teach what is in accord with sound teachings In this book Christian school trustee Kevin F Brownlee unpacks the word sound and explains God's requirements for educating precious children in a commonsense style that will enlighten educators and parents and

invigorate Christian education Education: Does God have an opinion? Israel Wayne, 2017-04-01 Students in America will spend over 14 000 seat hours in a classroom before they graduate from high school On the other hand most Christian children spend less than an hour a day in meaningful interaction with their parents and only a few hours a week at most in church Is it reasonable for us to assume that the Christian instruction they receive during off hours will outweigh the thousands of hours of anti Christian perspectives they are bombarded with by the media and the public school system What does God say about how He expects Christians to educate their children This book will radically challenge your paradigms and biases but will consistently point you to the Word of God as the final answer for all of life including education Great resource for pastors parents and grandparents to understand the role of education in a Christian family Aligns with the core philosophy of Master Books Curriculum and can be used as an apologetic for Christian education Christian Faith and Action United Presbyterian Church in the U.S.A.
