Kosher Sex A Recipe For Passion And Intimacy By Shmuley Boteach:

Kosher Sex Shmuel Boteach, 2000-01-18 Originally published New York Doubleday 1999 *Sexual Fulfillment* Herbert W. Chilstrom, Lowell O. Erdahl, This book approaches some of the more difficult to discuss areas of human sexuality singles and sexual fulfillment unmarried persons and sexual fulfillment same sex relationships and sexual fulfillment in the elder years The authors distinguish between life giving sex and life degrading sex They then discuss healthy sexuality in a variety of life stages and relationships With a pastoral and compassionate tone the authors explore the issues Christian people face with respect to the experience and expression of their sexuality Questions for discussion are intended both to elicit personal reflection and to move congregations to become safe places Unclean Lips Josh Lambert, 2013-11-25 Winner of the 2014 Jordan Schnitzer Book Award presented by the Association for Jewish Studies Jews have played an integral role in the history of obscenity in America For most of the 20th century Jewish entrepreneurs and editors led the charge against obscenity laws Jewish lawyers battled literary censorship even when their non Jewish counterparts refused to do so and they won court decisions in favor of texts including *Ulysses* *A Howl* *Lady Chatterley's Lover* and *Tropic of Cancer* Jewish literary critics have provided some of the most influential courtroom testimony on behalf of freedom of expression The anti Semitic stereotype of the lascivious Jew has made many historians hesitant to draw a direct link between Jewishness and obscenity In *Unclean Lips* Josh Lambert addresses the Jewishness of participants in obscenity controversies in the U S directly exploring the transformative roles played by a host of neglected figures in the development of modern and postmodern American culture The diversity of American Jewry means that there is no single explanation for Jews interventions in this field Rejecting generalizations this book offers case studies that pair cultural histories with close readings of both contested texts and trial transcripts to reveal the ways in which specific engagements with obscenity mattered to particular American Jews at discrete historical moments Reading American culture from Theodore Dreiser and Henry Miller to *Curb Your Enthusiasm* and *FCC v Fox* *Unclean Lips* analyzes the variable historical and cultural factors that account for the central role Jews have played in the struggles over obscenity and censorship in the modern United States Laugh Your Way to a Better Marriage Mark Gungor, 2009-03-03 Based on Mark Gungor's wildly popular seminar *Laugh Your Way to a Better Marriage* builds on Gungor's success with tens of thousands of couples who credit him with enriching and even saving their marriages By using his unique blend of humor and tell it like it is honesty he helps couples get along and have fun doing it Through exploring a variety of subjects including the myth of a soul mate the different ways men and women think the conflicting levels of libido and the necessity to forgive Gungor proves that the key to marital bliss is not romance or destiny it's work and skill Couples need to work hard at maintaining their relationship and to have the skills to pull it off The longer spouses wait to learn these skills the greater their chance of wanting to bail yet Gungor makes it easy for couples to bring their relationship to the next level **Jewish Choices, Jewish Voices** Elliot N. Dorff, Danya Ruttenberg, 2010 In the newest addition to the Jewish

Kosher Hate Rabbi Shmuley Boteach,2021-11-16 In this provocative and wide ranging book Shmuley Boteach makes the case for Kosher Hate a seemingly paradoxical idea derived from Jewish theological tradition In this startling and original defense of hatred as a moral response to evil Boteach challenges the liberal notion that understanding and forgiveness are the appropriate response to evil deeds arguing that this is merely a secularized version of the misguided Christian teaching one that many Jews have embraced that we must turn the other cheek and love our enemies Instead he maintains that it is Godly to hate evil and it is our duty to do everything we can to bring evildoers to justice While forgiving petty slights is admirable doing so with mass murder is an abomination While loving our enemies is noble this applies to those who steal our parking space or get our promotion at work It does not apply to God s enemies those who engage in genocide and whose murderous ways destroy civilized living
