more than light so are our experiences merely the dance of awareness Often we form attachments to or feel enslaved by these experiences But they are only reflections As easily as television pictures vanish when the channel is changed the power of our experiences fades if we penetrate to the heart of reality the light of the natural mind within everyone You Are the Eyes of the World presents a method for discovering awareness everywhere all the time This book does not discuss how to turn ordinary life off and it does not describe how to create beautiful spiritual experiences it shows how to live within the source of all life the unified field where experience takes place Dispelling Wetiko Paul Levy,2013-01-15 The mind virus behind human self destruction has a name wetiko See it clearly and it starts to lose power You see it everywhere smart people making destructive choices Companies poisoning their own customers Nations pouring trillions into war while their people suffer Social media built to connect us driving us apart We re the one species that knowingly degrades its own habitat at scale Why do we keep acting against our own survival From Indigenous North American traditions comes the term wetiko a life eating compulsion that turns us against one another and the living world Whether you approach it as metaphor psychology or spirituality the effects are real and they propagate through what we don t see In Dispelling Wetiko Paul Levy brings this insight into dialogue with Jungian psychology framing wetiko as a mind parasite that exploits our blind spots Drawing on teachings shared in public sources depth psychology and his own harrowing encounters Levy describes wetiko as ME disease Malignant Egophrenia a pathological self centering that mistakes the ego for the whole Like a vampire that can t see its reflection it hides in the very way we perceive reality The crucial insight the moment we recognize wetiko it begins to lose power The cure isn t waging war on evil or waiting for others to wake up it starts by noticing how our attention and reactions feed the very patterns we oppose and then withdrawing that food Dispelling Wetiko offers a clear diagnosis and a practical path back to sanity personally and collectively *The Power and the Pain* Andrew Holecek,2010-03-16 We all encounter obstacles on a daily basis from small inconveniences and nuisances to the really big hardships wreaking havoc with our lives Sometimes just the small things are enough to set us reeling Andrew Holecek offers us a progressive path beginning with common easily understood hardships and moving on to more subtle and challenging ones that commonly arise on our spiritual journeys **Diccionario Akal del Budismo** Philippe Cornu,2004-06-02 Libro que recoge de forma rigurosa y exhaustiva todas las formas de budismo existentes en el mundo analizando a lo largo de sus p ginas los grandes conceptos filos ficos y espirituales de esta religi n su historia las biograf as de sus protagonistas los textos y el arte y la iconograf a de sus budas bodhisattva y deidades Un instrumento imprescindible para cualquier persona interesada en el tema **Dream Yoga** Andrew Holecek,2016-07-01 Lucid dreaming becoming fully conscious in the dream state has attracted legions of those seeking to explore their vast inner worlds Yet our states of sleep offer much more than entertainment Combining modern lucid dreaming principles with the time tested insights of Tibetan dream yoga makes this astonishing yet elusive experience both easier to access and profoundly life changing With Dream Yoga Andrew Holecek presents a practical guide for
