Lords of London Tamara Gill, 2023-05-15 To Bedevil a Duke A Duke of many rules A Lady of independence Since her cheating husband created a scandal by dying beneath his whore Darcy de Merle is determined to enjoy widowhood and refuses to mourn a man she grew to loathe Setting the ton ablaze Darcy holds a ball to re-launch herself into Society on the anniversary of his death Cameron the Duke of Athelby plays by the rules Always He's lived through the terrible consequences of what revelry carelessness and lack of respect for one's social position can have on a family So when he sees Darcy de Merle skirting the boundaries of respectability it is only right that he should remind her of the proper etiquette that she should adhere to Darcy refuses to allow another man to tell her what to do When the Duke of Athelby chastises her at every turn reminding her of her social failures well there is only one thing to be done about it seduce the duke and show him there is more to life than the proper conventions set by the ton A battle of wills ensues where all bets are off numerous rules are broken and love becomes the ultimate reward To Madden a Marquess She saved his life but can she save him from himself Hunter Marquess of Aaron has the ton fooled Outwardly he's a gentleman of position with good contacts wealth and charm Inwardly he's a mess His vice drinking himself into a stupor most days almost kills him when he steps in front of a hackney cab His saviour a most unlikely person is an angel to gaze at but with a tongue sharper than his sword cane Cecilia Smith dislikes idleness and waste Had she been born male she would already be working for her father's law firm So on a day when she was late for an important meeting at one of her many charities she was not impressed by having to step in and save a foxed gentleman rogue from being run over When their social spheres collide Hunter is both surprised and awed by the capable beautiful Miss Smith Cecilia on the other hand is left confused and not a little worried by her assumptions about the Marquess and his demons It is anyone's guess whether these two people from different worlds can form one of their own To Tempt an Earl Hamish Doherty Earl Leighton is having a terrible Season A portion of his home burned to the ground he was

attacked outside a gaming hell and a debutante he cannot stomach is determined they'll wed. It's enough to make any lord head for the hills but his luck turns worse in the country. A large unpaid bill at an inn and a missing purse later he's ready to concede defeat to the fickle Fates until rescue unexpectedly comes from an intoxicatingly beautiful stranger. As the daughter of a successful tradesman Miss Katherine Martin has no time for peers and their problems. However there is something about this handsome and yet unlucky earl and when their paths cross again Lord Leighton offers to repay his debt to her in any way she pleases. Katherine decides one night in his arms will be just right and yet as two kindred souls find passion together it seems one night won't be enough. Leighton, 2011 INCLUDES MADLY BOOK ONE Madly is your average nearly eighteen year old girl. For a mermaid princess that is Madly James is thoroughly enjoying her internship in Slumber when the unthinkable happens. There's a prison break in Atlas Madly's home beneath the sea. A traitor has set free eight Lore the spirits of what humans know as fairy tales and they are making their way to Slumber to awaken their descendants. The first spirit to arrive is that of Ulrich Wolfhardt a man that was once obsessed with wolves and a young maiden he would follow through the woods. After a bite from a wolf Wolfhardt's obsession with the girl became an unnatural hunger and the young maiden's grandmother cursed him with a fate worse than death. And now he's back with a vengeance and a bite that can infect others as well. Madly must learn the identity of Wolfhardt's descendant and stop him before he kills again and spreads his curse across the earth. But the only person strong enough to help Madly is Jackson the Sentinel who vowed to protect her and the one person capable of breaking her heart. Can Madly resist forbidden love long enough to save the world from Wolfhardt? Or will she have to sacrifice her heart and her destiny to save the ones she loves.
