women and men can revitalize the church and renew the world Scapegoats Jennifer Garcia Bashaw,2022-05-24

Scapegoats are innocent victims who have experienced blame and violence at the hands of society Ren Girard proposes that the Gospels present Jesus as a scapegoat whose innocent death exposes how humans have always created scapegoats This revelation should have cured societal scapegoating yet those who claim to live by the Gospels have missed that message They continue to scapegoat and remain blind to the suffering of scapegoats in modern life Christians today tend to read the New Testament as victors not as victims The teachings and actions of Jesus thus lose much of their subversive significance The Gospels become one harmonized story about individual salvation rather than distinct representations of Jesus s revolutionary work on behalf of victims Scapegoats revisits the Gospel narratives with the understanding that they tell scapegoats stories and that through those stories the kingdom of God is revealed Bashaw goes beyond Girard s arguments to show that Jesus s whole public ministry not only his death combats the marginalization of victims These scapegoat stories work together to illuminate an essential truth of the Gospels that Jesus modeled a reality in which victims become survivors and the marginalized become central to the kingdom **Paul Distilled** Gary W. Burnett,2021-02-02 What the apostle Paul has to say is transformative and utterly inspiring But too often he is clouded in complicated explanations and murky misunderstandings Paul Distilled gets to the essence of Paul and uncovers what is at the heart of his thinking and why he s had such an impact on the world since the first century until today Drawing on many years of teaching and study of Paul s writings Gary Burnett explains the driving forces behind the apostle s thinking from the letters he wrote to groups of Jesus followers dotted around the Roman empire addressing the real issues they faced and shows why this matters today A study guide with each chapter will enable church groups to get to grips with the life changing potential of understanding Paul better Dictionary of Paul and His Letters InterVarsity Press,2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume s breadth and usefulness for scholars pastors and students today *Unveiling Paul's Women* Lucy Peppiatt,2018-01-30 Whether people realize it or not the ideas in 1 Corinthians 11 2 16 have had a huge impact on the role of Christian women in the church through the centuries These fifteen verses have shaped worship practices church structures church leadership marriages and even relationships between men and women in general They have contributed to practices that have consistently placed women in a subordinate role to men and have been used to justify the idea that a woman should not occupy a leadership or teaching position without being under the authority or covering of a man It is strange therefore that academics and pastors alike continue to note how confusing and difficult it continues to be to make sense of these very verses In this little book Lucy Peppiatt not only highlights the problems associated with using this text to justify the subordination of women but offers a clear and plausible re reading of the text that paints the apostle Paul as a radical visionary church planter who championed

women in all forms of leadership **Jesus Feminist** Sarah Bessey,2013-11-05 Gender roles have been debated for centuries and now Sarah Bessey offers a clarion freedom call for all who want to realize their giftedness and potential in the kingdom of God Through a thoughtful review of biblical teaching and church practices Bessey shares how following Jesus made a feminist out of her **Modern Virtue** Emily Dumler-Winckler,2022 Modern Virtue is the first book length treatment of Mary Wollstonecraft s theology and religion the first to show the centrality of each for her account of the virtues and revolution and the first by a scholar in these fields While Wollstonecraft is canonical in many other fields she is mostly unknown or ignored in virtue ethics theology and religion This book remedies this omission and the prevalent narratives sustained by it in the latter as well as predominant views of her religion and virtue in the former *The Blue Parakeet, 2nd Edition* Scot McKnight,2018-06-05 How are we to live out the Bible today In this updated edition of The Blue Parakeet you ll see how Scripture transcends culture and time and you ll learn how to read God s Word in a fresh way The gospel is designed to be relevant in every culture in every age in every language It s fully capable of this and we are called to discern how God is speaking to us today But applying its words and directions on how to live our lives is not always easy Professor and author of The King Jesus Bible Scot McKnight challenges us to rethink how to read the Bible not just to puzzle it together into some systematic belief or historical tradition but to see it as an ongoing Story that we re summoned to enter and to carry forward in our day Throughout the Bible God speaks in each generation in that generation s ways and beckons us to be a part of his amazing story The Blue Parakeet is a profound meditation on how God is speaking to our generation through His Word

Dynamic Women of the Bible Ruth A. Tucker,2014-05-27 Though we often focus more on the male heroes and villains in the Bible the pages of Scripture are brimming with women who are edgy strong willed and controversial Far from the stereotype of sweet and submissive many women of the Bible steal the show despite being cast in the supporting roles What parts did these women have in the vast family of God What challenges did they face that we face even today And what can we learn from them if we allow them to be the three dimensional people they really were In Dynamic Women of the Bible the lives of more than fifty biblical women are summoned from their graves to live again by the author who brought you The Biographical Bible Scripture references biographical profiles sidebars featuring twenty additional women of the Bible discussion questions and life applications make this book perfect for small groups Bible studies book clubs and personal reading *The Letter to the Colossians* Scot McKnight,2018-02-26 The Letter to the Colossians offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere **Christianity Contested** Paul Copan,Stewart Kelly,2024-12-30 Although Christianity has significantly influenced many of Western civilization s cherished ideals and values it faces ongoing criticism regarding its truth goodness and beauty Critics argue that Christianity is at odds with science

human flourishing and the dignity of women that it is disconnected from modern views on sexuality and that its Scriptures support slavery and genocide They also claim that the historical evidence for Jesus bodily resurrection is weak and his claims of exclusivity are narrow minded Additionally the problem of evil and the hiddenness of God are major points of contention In response a group of scholars has provided a comprehensive well reasoned yet accessible resource to address these accusations for both the church and the broader public

The Heaven Promise Scot McKnight, 2015-10-06 Heaven Eternity The Afterlife When you mention any of these concepts people of all ages and from all walks of life are certain to have opinions How can we know for sure what heaven will be like According to New Testament scholar and popular author Scot McKnight all we need to do is turn to Scripture to answer our questions McKnight helps you examine God's Word in order to discover what awaits you on the other side of the grave and find answers to the most frequently asked questions regarding heaven including
