Larklight Larklight 1 By Philip Reeve:

Larklight Philip Reeve, 2011-07-04 Arthur Art Mumby and his irritating sister Myrtle live with their father in the huge and rambling house Larklight travelling through space on a remote orbit far beyond the Moon One ordinary sort of morning they receive a correspondence informing them that a gentleman is on his way to visit a Mr Webster Visitors to Larklight are rare if not unique and a frenzy of preparation ensues But it is entirely the wrong sort of preparation as they discover when their guest arrives and a Dreadful and Terrifying and Marvellous adventure begins It takes them to the furthest reaches of Known Space where they must battle the evil First Ones in a desperate attempt to save each other and the Universe Recounted through the eyes of Art himself Larklight is sumptuously designed and illustrated throughout **Fantasy Fiction** Frances Sinclair, 2008 Handbook of fantasy fiction for teachers librarians parents and guardians and children themselves in which to find many titles of fantasy fiction that they like or may be tempted to read Includes groups such as classic fantasy comic fantasy Arthurian dark fantasy animals and dragons Larklight, Or, The Revenge of the White Spiders!, Or, To Saturn's Rings and Back! Philip Reeve, 2006 In an alternate Victorian England young Arthur and his sister Myrtle residents of Larklight a floating house in one of Her Majesty's outer space territories uncover a spidery plot to destroy the solar system

Neo-Victorianism and Medievalism, 2024-04-30 Bringing together neo Victorian and medievalism scholars in dialogue with each other for the first time this collection of essays foregrounds issues common to both fields The Victorians reimagined the medieval era and post Victorian medievalism repurposes received nineteenth century tropes as do neo Victorian texts For example aesthetic movements such as Arts and Crafts which looked for inspiration in the medieval era are echoed by steampunk in its return to Victorian dress and technology Issues of gender identity sexuality imperialism and nostalgia arise in both neo Victorianism and medievalism and analysis of such texts is enriched and expanded by the interconnections between the two fields represented in this groundbreaking collection **Children's Book Review Index**

Sonya Sawyer Fritz, Sara K. Day, 2018-01-19 Victorian literature for audiences of all ages provides a broad foundation upon which to explore complex and evolving ideas about young people In turn this collection argues contemporary works for young people that draw on Victorian literature and culture ultimately reflect our

own disruptions and upheavals particularly as they relate to child and adolescent readers and our experiences of them The essays therein suggest that we struggle now as the Victorians did then to assert a cohesive understanding of young readers and that this lack of cohesion is a result of or a parallel to the disruptions taking place on a larger even global scale

School Library Journal ,2009 **Starcross** Philip Reeve,2011-07-04 Art and his family are invited on a fantastic free holiday to the exotic Asteroid Belt in a remote part of space near Mars Taking the train they arrive to discover that nothing is quite as it seems the hotel slips curiously back and forth through time and the guests behave rather strangely too What is behind these bizarre goings on It s up to Jack Havock Art and his sister Myrtle against her will to get to the bottom of things But the giant sand clams and man eating starfish which roam freely nearby are nothing compared to the True Enemy which is cunning sinister and almost unstoppable and may resemble a hat **Children's Catalog** H.W.
