**Lessons from a Dead Girl** Jo Knowles, 2012-06-26 An unflinching story of a troubled friendship and one girl's struggle to come to terms with secrets and shame and find her own power to heal age 14 and up Leah Greene is dead For Laine knowing what really happened and the awful feeling that she is in some way responsible set her on a journey of painful self discovery Yes she wished for this She hated Leah that much Hated her for all the times in the closet when Leah made her do those things They were just practicing Leah said But why did Leah choose her Was she special or just easy to control And why didn't Laine make it stop sooner In the aftermath of the tragedy Laine is left to explore the devastating lessons Leah taught her find some meaning in them and decide whether she can forgive Leah and ultimately herself **Read Between the Lines** Jo Knowles, 2015-03-10 Does anyone ever see us for who we really are Jo Knowles's revelatory novel of interlocking stories peers behind the scrim as it follows nine teens and one teacher through a seemingly ordinary day Thanks to a bully in gym class unpopular Nate suffers a broken finger the middle one splinted to flip off the world It won't be the last time a middle finger is raised on this day Dreamer Claire envisions herself sitting in an artsy caf filling a journal but fate has other plans One cheerleader dates a closeted basketball star another questions just how as a big girl she fits in A group of boys scam drivers for beer money without remorse or so it seems Over the course of a single day these voices and others speak loud and clear about the complex dance that is life in a small town They resonate in a gritty and unflinching portrayal of a day like any other with ordinary traumas heartbreak and revenge But on any given day the line where presentation and perception meet is a tenuous one so hard to discern Unless of course one looks a little closer and reads between the lines

*The Publishers Weekly*, **Who Done It?** Jon Scieszka, 2013-02-12 A star-studded anthology with a devilish hook whose proceeds benefit 826nyc, the fabulous literacy non-profit founded by Dave Eggers. Can you imagine the most cantankerous book editor alive? Part Voldemort, part Cruella de Vil, if she were a dude and worse in appearance and odor than a gluttonous farm pig. A man who makes no secret of his love of cheese or his disdain of unworthy authors. That man is Herman Mildew. The anthology opens with an invitation to a party, care of this insufferable monster, where more than 80 of the most talented, bestselling, and recognizable names in YA and children's fiction learn that they are suspects in his murder. All must provide alibis in brief first-person entries. The problem is that all of them are liars; all of them are fabulists, and all have something to hide.

Fictions of Adolescent Carnality Lydia Kokkola, 2013-05-03 *Fictions of Adolescent Carnality* considers one of the most controversial topics related to adolescents: their experience of desire. In fiction for adolescents, carnal desire is variously presented as a source of angst, an overwhelming experience over which one has no control, bestial, disgusting, and just occasionally a source of pleasure. The on-set of desire within the Anglophone tradition has been closely associated with the loss of innocence and the end of childhood. Drawing on a corpus of 200 narratives of adolescent desire, Kokkola examines the connections between sociological accounts of teenagers' sexual behaviour, adult fears for and about their offspring, and fictional representations of adolescents exploring their sexuality. Taking up topics such as adolescent pregnancy and parenthood, queer sexualities, animal-human connections, and sexual abuse, Kokkola provides wide-ranging insights into how Anglophone literature responds to adolescents' carnal desires and contributes to ongoing debates on the construction of adolescence and the ideology of innocence.
