Lee Brown,2015-12-23 It doesn t matter if you walked through a portal in time and space used a magic spell or arrived as the result of some technological marvel that transported your blasted atoms in a focused beam of energy The important thing is you have arrived Imagine you have come to a strange land and an even stranger roadhouse Not your run of the mill bed and breakfast nor a typical medieval inn but a place where the drinks are free as long as you share a story At a muddy crossroads in a small hamlet in Antioch the land of chaos you are a visitor to Storyhole Inn It goes on and on in this anthology of strange tales told around the great room of the Storyhole Inn Whether it s a tale about planning the perfect wedding on a giant luxury spaceship or the daily grind of protecting a princess from the bad guys there s something for everyone here We learn about a cadet that earns his passage to adulthood and also a story about what not to give your alien in laws to drink And speaking of aliens some of them seem to have a taste for the very essence of man Twelve authors present eighteen stories of fantasy science fiction paranormal and horror for your entertainment We hope you will stay for a while and enjoy the ambiance of Storyhole      *Assassins Of Riaz* Michael Drakich,2018-10-25 In Riaz the profession of assassin is an honored one Hired throughout the other eight realms their use of powerful magic to complete assignments makes them a valuable commodity When a regional trade negotiation is scheduled in their capital city of Lymos the demand for the skills of the assassins is sure to change the dynamic of the meetings Caught in the maelstrom of political intrigue is young Kero the ward of the assassin lord He s joined by Darlee a girl from Sechland with her own magical powers and Prince Brumaine of Morica as each of them struggle to navigate the affair in their own way Will old animosities prevail or can new alliances alter the path toward all out war      **Sanctuary Has Fallen** Michael Drakich,2023-05-20 As civil war strides through Morica the lives of three diverse people become intertwined in the machinations of governments gods and demons Prince Brumaine along with his brother seeking to overthrow his father for control of the country Private Zair a young soldier in Morica s army who serves as a courier for the king and Esca daughter of a local healer and a bystander in the neighboring neutral country of Fermia As the war rages players from other countries

enter the fray and the interjection of three powerful demons seeking refuge makes the battle much more than father king against princeling sons Through it all both Esca and Zair are encumbered with one more difficulty the blossoming of their ability to use magic which is illegal in both their homelands Should either be discovered it could prove fatal Deep in political intrigue wavering alliances and strained relationships this is a novel for those who love epic fantasy in its truest form where countries peoples and the laws of the lands hang in a precarious balance The Gilgamesh Path Michael
