Life Of A Eunuch By Piyush Saxena:

Life of a Eunuch Piyush Saxena, 2011 *Quantum Healing System* Lakshmi Ajoy, 2023-04-13 While the Author would love to call this a slice of her life she is actually referring to it as a personal healing system of wisdom that she has developed over the years through a blend of practical and theoretical knowledge This isn't merely a book filled with pointers or scientific research but a guide to experience bliss joy and inner peace through Self Love If you are looking for freedom from stress and anxiety then this book is for you If you have ever felt low in terms of confidence then this book is for you If you are experiencing depression and feel suicidal then this book is for you If you are looking to lead a more fulfilling life towards mental peace and harmony with inner joy then this book is for you If you are looking to understand Self Love then this book is for you Now you may think how can this book help you differently The Author has devised simple formula and everyday practices that you can include in your life without additional efforts The action calls to be taken in this book do not need high investments of time and resources Finally the details mentioned in the book are simple easy to use techniques that have been proven to be effective So good luck on your pathway to a powerful joyous peaceful and blessed life through this reading More Love and Light **Appearance and Identity Crisis in Modern Indian History** Jeevan Jyoti Chakarawarti, 2024-09-11

Chakarawarti explores the history of Indian eunuchs from the Mughal empire's fall following the mutiny of 1857 A D to the Supreme Court of India's historic ruling in 2014 A D This book examines the social political economic and religious aspects of Indian eunuchs' lives providing a true narrative of this marginalized group that has been neglected for centuries It contains detailed stories of Indian eunuchs from the 1857 uprising to the historic decision to grant them the title of third gender in the Supreme Court of India in 2014 This includes the actual account of the court proceedings and how this decision brought about an enormous transition to their lives by granting them fundamental rights under the Constitution of India and the right to self identification of their gender as male female or third gender This book serves as an important resource for scholars of Gender Studies Transgender Studies and Subaltern History and especially for those who are interested in Transgender Studies in modern Indian history TRANSGENDER WELFARE AND SOCIETY E. JAYANTHY, 2019-06-04 1 Introduction 2 Transgenders as Depicted in Hindu Mythology and in Tamil Literature 3 Intersex and Androgen Insensitivity Syndrome 4 Transgenders Physiological Parameters 5 Transgenders Psychological Parameters 6 Role of Tamil Community in the Development of Thirunangai Communities A Profile 7 Social Exclusion Of Transgender 8 Kalki Subramanian A Profile 9 Conclusion PREFACE The legal economic and social marginalization of transgender affects every aspect of their lives Social exclusion is reflected in laws that do not acknowledge the existence of transgender either as a third gender or as people who wish to transition from male to female or from female to male Without legal protection transgender is vulnerable to daily violence and discrimination with cumulative impacts Some impacts are visible such as the HIV epidemic among transgender in many parts of the world Most impacts are insidious with transgender their families and communities left to support each

other and struggle for their rights Human rights experts have offered guidance on how to apply existing human laws From a young age many transgender people experience social rejection and marginalization because of their expression of their gender identity This social exclusion affects their self perception and sense of worth It may contribute to depression anxiety drug and alcohol use self harm and suicide Young transgender people are particularly vulnerable to homelessness unemployment and economic instability as they often depend on family and educational institutions for housing and other resources This is mainly due to the fact that their inherent complexities in physiology which does not gel with their psychology deprivation of everything in their life

The Third Gender: Stain and Pain Ashish Kumar Gupta and Grishma Khobragade, 2018-01-01 The comprehensive compendium *The Third Gender Stain and Pain* is packed with prodigious research papers articles and case studies of well versed academicians from all over India The anthology addresses the myriad facets of a transgender's life Their problems of social identity inequality marginalisation social exclusion health care issues documentation education unemployment and poverty have been discoursed from social political economic cultural and jurisprudential along with scientific angles The book incorporates not only the troubles and deplorable plights but also intimates some resolutions that can mitigate the embarrassing abasements of the Third Gender

A Scientific Aspect of Transgenders AJAY MAJUMDER, RABIN TARAFDER, 2019-08-21 *A Scientific Aspect of Transgenders* depicts the life problems livelihood social position language customs and other information about the transgender community and people belonging to other parallel sexual communities in picturesque language The book is an analytical and fundamental study It deals with the life of transgender people as well as lesbian gay bisexual queer and inter sex persons The authors have put special emphasis on the Fourth Gender by discussing LGBTQI in a separate unit There is a belief that all the transgender people are sexually congenital But the truth is that they are not born but made Their code language marriage sexual life rituals their movement in this country and abroad and the cause of their suicidal trend have been explained in this book

Gendered Lives Nadine T. Fernandez, Katie Nelson, 2022-01-01 *Gendered Lives* takes a regional approach to examine gender issues from an anthropological perspective with a focus on globalization and intersectionality Chapters present contributors ethnographic research contextualizing their findings within four geographic regions Latin America the Caribbean South Asia and the Global North Each regional section begins with an overview of the broader historical social and gendered contexts which situate the regions within larger global linkages These introductions also feature short project people profiles that highlight the work of community leaders or non governmental organizations active in gender related issues Each research based chapter begins with a chapter overview and learning objectives and closes with discussion questions and resources for further exploration This modular regional approach allows instructors to select the regions and cases they want to use in their courses While they can be used separately the chapters are connected through the book's central themes of globalization and intersectionality An OER version of this course is freely available thanks to the generous

support of SUNY OER Services Access the book online at <https://milneopentextbooks.org/gendered-lives-global-issues/> The Everyday Makings of Heteronormativity Frank G. Kariotis, Sertaç Sehlilikoglu, 2019-11-29 Using a cross cultural perspective The Everyday Makings of Heteronormativity Cross Cultural Explorations of Sex Gender and Sexuality examines the conceptual formulation of heteronormativity and highlights the mundane operations of its construction in diverse contexts Heterosexual culture simultaneously institutionalizes its narrations and normalcies operating in a way that preserves its own coherency Heteronormativity gains its privileges and coherency through public operations and the mutuality of the public and private spheres The contributors to this edited collection examine this coherency and privilege and explore in ethnographic detail the operations and making of heteronormative devices material affective narrative spatial and bodily This book is recommended for students and scholars of anthropology sociology and gender and sexuality studies **Global Perspectives on Motherhood, Mothering and Masculinities** Andrea Moraes, Tola Olu Pearce, 2021-06-01 The two phenomena highlighted in this edited volume motherhood mothering and masculinities are each recent areas of development in critical Feminist and Men's Studies In contributing to these areas of gender studies this book draws attention to the fact that much can also be gained when we explore relationships between them an idea that may not readily come to mind While femininities and masculinities are co constructed motherhood and mothering bring additional perspectives to the study of femininity that affect the construction of masculinity in complex ways The 12 chapters in this volume allow readers to ponder some of these complexities and may suggest other issues that require investigation Spanning many continents the essays have both a global and historical reach emphasising cultural differences and historical changes Of import is the idea that mothers have agency and are active in constructions affecting their lives They are able to bring motherhood out of the shadows as they strive to build re evaluate or alter their roles within families and communities These have an impact on developments in masculinities The book is divided into three parts and the chapters investigate a wide range of issues including cultural constructs gender in parent child relationships non binary developments the impact of war on mothering decolonisation struggles and much more *Cure Yourself* Dr Piyush Saxena, 2008-09-01 The book is a treatise on organ wise cleansing of the body to get rid of accumulated toxins caused by pollution parasites and unhealthy lifestyle *Cure Yourself*
