My Dearest Dietrich Amanda Barratt, 2019-06-09 A staggering love illuminating the dark corners of a Nazi prison Renowned German pastor and theologian Dietrich Bonhoeffer is famous for his resistance to the Nazi regime and for his allegiance to God over government But what few realize is that the last years of his life also held a love story that rivals any romance novel Maria von Wedemeyer knows the realities of war Her beloved father and brother have both been killed on the battlefield The last thing this spirited young woman needs is to fall for a man under constant surveillance by the Gestapo How can she give another piece of her heart to a man so likely to share the same final fate Yet when Dietrich Bonhoeffer an old family friend comes to comfort the von Wedemeyers after their losses she discovers that love isn't always logical Dietrich himself has determined to keep his distance from romantic attachments There is too much work to be done for God and his involvement in the conspiracy is far too important But when he encounters a woman whose intelligence and conviction match his own he's unprepared for how easy it is to give away his heart With their deep love comes risk and neither Dietrich nor Maria is prepared for just how great that risk soon becomes Based on detailed historical research this true love story is at once beautiful and heartrending *My Dearest Dietrich* sheds new light on a world famous theologian and the woman who changed his life *Bonhoeffer's Intellectual Formation* Peter Frick, 2018-03-14 The authors of this volume discuss specific philosophical and theological ideas in view of Bonhoeffer's intellectual formation As such all the studies converge on the thought of Bonhoeffer as a whole in order to illuminate the growth and maturation of his theology Contributors to this volume include Barry Harvey Wayne Floyd Peter Frick Geoffrey Kelly Wolf Kr tke Andreas Pangritz Stephen Plant Martin Rumscheidt Christine Tietz Ralf W stenberg and Josiah Young

The Doubled Life of Dietrich Bonhoeffer Diane Reynolds, 2016-01-01 Few twentieth century theologians have had a bigger impact on theology than Dietrich Bonhoeffer a man who lived his faith and died at the hands of the Nazis For Bonhoeffer the theological was the personal life and faith were deeply intertwined and to this day the world is inspired by that witness Yet the true story of the women in this remarkable man's life has until now been obscured by a conventional narrative that has distorted their role Using primary sources written by the women in his life and even including the first ever photo of alleged first fianc e Elisabeth Zinn this book sees these women fully for the first time A highly readable but scholarly work of narrative nonfiction *The Doubled Life of Dietrich Bonhoeffer* places Bonhoeffer's theology of love and sexuality within the context of his struggles with women friendship and the evils of Nazi Germany

The Collected Sermons of Dietrich Bonhoeffer Isabel Best, Dietrich Bonhoeffer, 2012-12-01 Preaching according to Bonhoeffer is like offering an apple to a child The gospel is proclaimed but for it to be received as gift depends on whether or not the hearer is in a position to do so Offered here are thirty one of Pastor Bonhoeffer's sermons in new English translations which he preached at various times of the year and in a variety of different settings Each is introduced by Bonhoeffer translator Isabel Best who also provides a brief biography of Bonhoeffer The foreword is by Victoria J Barnett general editor of the Dietrich Bonhoeffer Works English edition published by Fortress Press from which these sermons are selected In his preaching Bonhoeffer's strong personal faith the foundation for everything he did shines in the darkness of Hitler's Third Reich and in the church struggle against it Though not overtly political Bonhoeffer's deep concern for the developments in his world is revealed in his sermons as he seeks to draw the listener into conversation with the promises and claims of the gospel a

an important gap in the record of Bonhoeffer's life and thought

Who am I? Bernd Wannenwetsch, 2011-11-03 It has often been noted that poetry is a particularly suitable medium when it comes to understanding the connection between theology and biography. Needless to say that this is particularly exciting in the case of Dietrich Bonhoeffer and the poems he wrote during his imprisonment by the Nazis. Although any one of his ten poems should be read within their respective historical and biographical context, they are also rounded self-sufficient pieces of work that cannot be explained by the biographical and theological prose that surrounds them. They rather serve as a sort of creative and perhaps sometimes even critical interlocutor to these contexts. This is why the contributors to this volume have not been asked to explain the poems but to facilitate this conversation between the reader and the poems, between the individual poems as well as between the poems and Bonhoeffer's life and his theology. These poems lend themselves ideally as an entry point into Bonhoeffer's theology in that each one of them resonates with a particular central theological concept that Bonhoeffer was developing in his prison years. Themes and concepts such as friendship, religion, identity, freedom, representative action, and others are not only represented in these poems but often expressed in the dense and compelling fashion that only poetic language affords. As such, they deserve the thorough and imaginative engagement of the international line-up of first-class theological authors gathered in this book.

The Consolations of Writing Rivkah Zim, 2017-06-06 Why writing in captivity is a vitally important form of literary resistance. Boethius wrote *The Consolation of Philosophy* as a prisoner condemned to death for treason; circumstances that are reflected in the themes and concerns of its evocative poetry and dialogue between the prisoner and his mentor, Lady Philosophy. This classic philosophical statement of late antiquity has had an enduring influence on Western thought. It is also the earliest example of what Rivkah Zim identifies as a distinctive and vitally important medium of literary resistance: writing in captivity by prisoners of conscience and persecuted minorities. *The Consolations of Writing* reveals why the great contributors to this tradition of prison writing are among the most crucial figures in Western literature. Zim pairs writers from different periods and cultural settings, carefully examining the rhetorical strategies they used in captivity, often under the threat of death. She looks at Boethius and Dietrich Bonhoeffer as philosophers and theologians writing in defense of their ideas, and Thomas More and Antonio Gramsci as politicians in dialogue with established concepts of church and state. Different ideas of grace and disgrace occupied John Bunyan and Oscar Wilde in prison. Madame Roland and Anne Frank wrote themselves into history in various forms of memoir, and Jean Cassou and Irina Ratushinskaya voiced their resistance to totalitarianism through lyric poetry that saved their lives and inspired others. Finally, Primo Levi's writing after his release from Auschwitz recalls and decodes the obscenity of systematic genocide and its aftermath. A moving and powerful testament, *The Consolations of Writing* speaks to some of the most profound questions about life, enriching our understanding of what it is to be human.

Kierkegaard's Influence on Theology: German Protestant theology Jon Bartley Stewart, 2012 Tome I is dedicated to the reception of Kierkegaard.

among German Protestant theologians and religious thinkers The writings of some of these figures turned out to be instrumental for Kierkegaard's breakthrough internationally shortly after the turn of the twentieth century Leading figures of the movement of dialectical theology such as Karl Barth Emil Brunner Paul Tillich and Rudolf Bultmann spawned a steadily growing awareness of and interest in Kierkegaard's thought among generations of German theology students Emanuel Hirsch was greatly influenced by Kierkegaard and proved instrumental in disseminating his thought by producing the first complete German edition of Kierkegaard's published works Both Barth and Hirsch established unique ways of reading and appropriating Kierkegaard which to a certain degree determined the direction and course of Kierkegaard studies right up to our own times
