Ethics and Children's Literature Claudia Mills, 2016-05-13 Exploring the ethical questions posed by in and about children's literature this collection examines the way texts intended for children raise questions of value depict the moral development of their characters and call into attention shared moral presuppositions The essays in Part I look at various past attempts at conveying moral messages to children and interrogate their underlying assumptions What visions of childhood were conveyed by explicit attempts to cultivate specific virtues in children What unstated cultural assumptions were expressed by growing resistance to didacticism How should we prepare children to respond to racism in their books and in their society Part II takes up the ethical orientations of various classic and contemporary texts including prosaic ethics in the Hundred Acre Wood moral discernment in Narnia ethical recognition in the distant worlds traversed by L Engle and virtuous transgression in recent Anglo American children's literature and in the emerging children's literature of 1960s Taiwan Part III's essays engage in ethical criticism of arguably problematic messages about our relationship to nonhuman animals about war and about prejudice The final section considers how we respond to children's literature with ethically focused essays exploring a range of ways in which child readers and adult authorities react to children's literature Even as children's literature has evolved in opposition to its origins in didactic Sunday school tracts and moralizing fables authors parents librarians and scholars remain sensitive to the values conveyed to children through the texts they choose to share with them

The Horn Book Guide to Children's and Young Adult Books, 2006 **After The Celebration** Ken Gelder, Paul Salzman, 2009-01-01 After the Celebration explores Australian fiction from 1989 to 2007 after Australia's bicentenary to the end of the Howard government In this literary history Ken Gelder and Paul Salzman combine close attention to Australian novels with a vivid depiction of their contexts cultural social political historical national

and transnational From crime fiction to the postmodern colonial novel from Australian grunge to rural apocalypse fiction from the Asian diasporic novel to the action blockbuster Gelder and Salzman show how Australian novelists such as Frank Moorhouse Elizabeth Jolley Peter Carey Kim Scott Steven Carroll Kate Grenville Tim Winton Alexis Wright and many others have used their work to chart our position in the world The literary controversies over history identity feminism and gatekeeping are read against the politics of the day Provocative and compelling After the Celebration captures the key themes and issues in Australian fiction where we have been and what we have become *Tamora Pierce* Bonnie Kunzel, Susan Fichtelberg, 2007-08-30 Tamora Pierce has a large following of teen and adult readers who savor her fantasy novels with strong female characters This volume provides her readers and fans with additional insights into her life and work The first section provides a biographical chapter and literary heritage The second and third sections analyze the Tales of Tortall and the Magic Circle Sagas as a whole providing details into the characters and settings of each The final section of the book Perspectives includes both a section on literary techniques along with an interview of Tamora Pierce herself Appendices include a section on Power Female Heroes and Fantasy Adventures Novels include The Song of the Lioness Quartet The Immortals Quartet The Protector of the Small Quartet The Trickster Duology The Magic Circle Quartet The Circle Opens Quartet The Will of the Empress Children's Books in Print, 2007, 2006 American Book Publishing Record, 2003 **Subcreation: Fictional-World Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams** Stefanie Schult, 2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J R R Tolkien s original term sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader s willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader s acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader s immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams s and Terry Pratchett s fictional worlds are successfully created through the realization of these aspects of Subcreation Apart from commenting on the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett s Discworld retains a feeling of Britishness that is not to be found in Williams s Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author s Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media **Restoring the Story** Anne van Gend, 2024-03-29 Are we

getting too squeamish about the atonement There is a quiet crisis of confidence in many Western churches Confusion debates and changing sensibilities have thrown doubt on whether one of our central doctrines can be reliably communicated as good news today This book approaches atonement through story allowing imagination to illuminate the multi faceted meanings in Christ s atoning work and exploring how those rich stories can be good news for the complex issues of our day
