The Conquerors Shadow By Ari Marmell:

The Conqueror's Shadow Ari Marmell, 2017-01-16 It is a curse to be haunted by the past It is worse to be hunted by it In the realm of Imphallion there once was a nightmare a living nightmare known only as the Terror of the East Nigh invulnerable in his magical black armor and aided by unholy minions he laid waste to all in his path on his all consuming quest to bring order to the land His order Then at what should have been his moment of triumph his will failed And his army fell Taking a young noblewoman as hostage he escaped vanishing into darkest memory Years later Corvis Rebaine is a simple man content with his loving wife and children The terrible deeds and glories of his past life are dead and buried along with his former name and its monstrous legacy until his daughter is taken by fiends under a maniacal young warlord looking to complete the Terror s conquest Now spurred to action by a newborn fury and thirst for vengeance Rebaine must do the unthinkable don the dark armor once again gather his once loyal cadre of killers and fight to save both the family he loves and the country he once almost destroyed And all who stand in his way will have one final thought before death The Terror has returned Action packed an intriguingly twisty plot full of magic and political intrigue Booklist Superior storytelling and deft dialog make this a top notch choice filled with dark humor as well as scenes of brutal battle and high magic Library Journal A powerful fantasy with well drawn heroes and delightfully wicked yet complicated villains Ari Marmell has made his mark in the genre Paul S Kemp author of the Erevis Cale trilogy A tale that begins where most stories end and features a most unlikely protagonist Twists of humor leaven this story of desperate people in dangerous times as a conqueror discovers that perhaps those who live by the sword are sometimes doomed to face the business end of one A great mix of character and action Robin Hobb author of Dragon Keeper The text of this edition is unchanged from that of the Del Rey edition **Litany**

of Dreams Ari Marmell, 2021-04-13 Dark incantations expose the minds of Miskatonic University students to supernatural horrors in this chilling mystery novel of Arkham Horror The mysterious disappearance of a gifted student at Miskatonic University spurs his troubled roommate Elliot Raslo into an investigation of his own But Elliot already struggles against the maddening allure of a ceaseless chant that only he can hear When Elliot s search converges with that of a Greenland Inuk s hunt for a stolen relic they are left with yet more questions Could there be a connection between Elliot s litany and the broken stone stele covered in antediluvian writings that had obsessed his friend Learning the answers will draw them into the heart of a devilish plot to rebirth an ancient horror **The Warlord's Legacy** Ari Marmell, 2017-01-16 If death is the

only true peace then there can be only one true peacemaker the Terror In the land of Imphallion one legend is remembered with horror the Terror of the East Twice his shadow has fallen across the land First to conquer it Then to save it Both times he brought blood and death as his companions And both times he faded into bleak memory Years later memories are all Corvis Rebaine has left The most painful of which is the memory of his beloved wife and children fleeing from him in horror after they learned of his terrible legacy War has cost him more than his life and he wants no more of it But what Rebaine no

longer matters Because the Terror has returned A merciless killer seemingly clad in the Terror s old battle dress and wielding his demon forged axe is sweeping across the land slaughtering all in his path And worse an old enemy has returned to claim revenge aided by a woman whose very soul is consumed with rage and hatred towards Rebaine his own daughter Now Rebaine must again wear the dreaded dark armor if he is going to save Imphallion as well as all he holds dear But after so much war so much blood and so much pain can he summon the strength to truly become the Terror once more The sequel to The Conqueror s Shadow fills a vital niche in the fantasy adventurer genre one occupied by the heroes of Michael Moorcock s Elric Melnibon novels and C S Friedman s Coldfire Trilogy Library Journal All a reader could ever ask for in a bloody hack and slash sword and sorcery Grasping for the Wind Another thoroughly entertaining offering from Ari Marmell and one that any fantasy fan will have a lot of fun with Graeme s Fantasy Book Review The text of this edition is unchanged from that of the Del Rey edition

Lost Covenant Ari Marmell,2018-05-29 The continuing fantastical adventures of the young but wise thief Widdershins who carries a deity in her head and carries the weight of the past on her shoulders After the tragic events that befell her and her friends Widdershins along with her aggravating personal god Olgun fled her home city of Davillon searching for respite But there is little peace to be found in the increasingly troubled land And no place is more troubled than the town of Lourveaux where intrigues and conspiracies against both the church and the government buzz like flies But Shins is more concerned with the local Delacroix family than whoever wants to take down the powers that be Because her beloved late adoptive father was a Delacroix Now the last remnants of House Delacroix are under siege Their crops are being blighted A rival noble house is striving against them And a ruthless criminal gang with their very own alchemist is working from the shadows to take them down But Widdershins isn t the kind of girl who forgets her family and the enemies of the Delacroix have no idea what they re about to come up against

In Truth and Claw Ari Marmell,2025-06-04 A city in fear Humanity under threat Only otherworldly private eye Mick Oberon can crack the catastrophic case as the fantasy noir series continues Chicago in the 1930s The clouds don t have any silver lining and if they did some mug would have stolen the silver This is Mick Oberon s city And when you re runaway non human royalty with a shady past it s just as vicious violent and lowdown as life back home in the fae realm of Elphame Unfortunately Chicago s about to become the front runner in that bloody contest Because everything seems to be going

sideways down the drain and straight to hell all at once People are dying with very particular puncture marks on their necks and missing several pints of the red stuff gee whatever could that mean Not to mention that Mick s nemesis the vengeful maniacal good witch Orsola might not be as dead as he d hoped Then Mick s not quite nemesis the beautiful backstabbing succubus Ramona Webb paints her way back into his picture for reasons unknown And that s when a vampire shows up in Mick s office asking for his help in stopping an impending nightmarish bloodbath Some days it just doesn t pay for a paranormal PI to pick up his wand Fans of Jim Butcher s Dresden Files series will find plenty to like Publishers Weekly

Thief's Covenant Ari Marmell,2012-02-14 Once she was Adrienne Satti An orphan of Davillon she had somehow escaped destitution and climbed to the ranks of the city s aristocracy in a rags to riches story straight from an ancient fairy tale Until one horrid night when a conspiracy of forces human and other stole it all away in a flurry of blood and murder Today she is Widdershins a thief making her way through Davillon s underbelly with a sharp blade a sharper wit and the mystical aid of Olgun a foreign god with no other worshippers but Widdershins herself It s not a great life certainly nothing compared to the one she once had but it s hers But now in the midst of Davillon s political turmoil an array of hands are once again rising up against her prepared to tear down all that she s built The City Guard wants her in prison Members of her own Guild want her dead And something horrid something dark something ancient is reaching out for her a past that refuses to let her go Widdershins and Olgun are going to find answers and justice for what happened to her but only if those who almost destroyed her in those years gone by don t finish the job first From the Hardcover edition **The Eternal Warrior** Ari

Marmell,2025-05-20 In *The Eternal Warrior* Gilad faces a catastrophic challenge when the most closely guarded secret of his immortal life falls into the hands of a cult of death For millennia the Sumerian known as Gilad Anni Padda has stood on the front lines between humanity and the vile unnatural things that would see innocence society or life itself cast down Gifted and cursed with immortality he has been a guardian even death cannot long hold An Eternal Warrior But Gilad has been laid low his past his purpose even his name stripped from him by a mystic ritual gone awry In his absence the worshippers of Nergal a cult of death as old as Gilad himself enact their intricate schemes Drawn back into this forgotten conflict aided only by new allies he does not trust Gilad must reclaim everything he was while facing an enemy who now has access to his own stolen memories and intends to use that knowledge to reshape not only the Eternal Warrior but the world he has so long protected

Hot Lead, Cold Iron Ari Marmell,2025-06-02 First in the fantasy noir series featuring Mick Oberon a hard boiled private eye who goes where the case leads him no matter which world it is Chicago 1932 Crime and corruption rule From the gutter to the Gold Coast the city has more dirty dealings than a sticky fingered card sharp A man would have to be crazy to go up against that kind of muscle But PI Mick Oberon is no man He s a self exiled fae prince who left the Otherworld for reasons he d rather not go into In the mortal realm he s a tough talking hard hitting gumshoe packing a quick wit and a large caliber magic wand And boyo is he ever gonna need them both Because his newest client is the wife of a heavy duty

mob honcho She wants Mick to find her daughter who it turns out was pilfered and replaced with a changeling sixteen years ago And she wants the investigation kept on the hush hush Which is strange because suddenly it seems like everyone and their uncle already has their eyes on Mick s prize From rival gangsters to the lowest of lowlives to their even more lethal counterparts in the Otherworld a lot of people and non people want Mick out of the picture before he solves the mystery Unfortunately for all of them Mick Oberon doesn t know the meaning of the word quit But with this case he might want to break out the dictionary before he gets killed Praise for Hot Lead Cold Iron In this gripping fantastical investigation Marmell creates an engaging world and an unlikely hero The potent mix of gangsters magic Fae politics and a strega on the warpath makes for a ride that never touches the brakes Marmell expertly maximizes the thrills leaving the reader with a lingering desire for a magic wand and a glass of warm milk Publishers Weekly Starred Review **Hallow Point Ari**

Marmell,2025-06-02 The hard boiled non stop patter packed fantasy noir series continues as PI Mick Oberon is caught in treasure hunt he can t afford to lose In 1930s Chicago being a private detective can get you bumped off as easy as breathing But Mick Oberon isn t your average shamus He s runaway fae royalty from the Otherworld who hung up his shingle packs a wand instead of a heater loves warm milk and has a serious iron allergy Hey a nigh immortal guy s gotta make a living right That s why Mick agrees to help the cops when someone breaks into the Field Museum Strange thing is they didn t steal anything In fact they added something Something Mick really doesn t want in his town the Spear of Lugh which grants invincibility in battle to whoever wields it The problem is some other mug steals it just as fast as it appeared With the spear in play a whole slew of very heavy hitters from both worlds are coming to the Windy City to claim it as their own And that means trouble like Mick has never seen before and is unlikely to see again Because you tend not to see anything when you re stone dead Among the best urban fantasy novels I have read Rising Shadow The Publishers Weekly , *Covenant's End*

Ari Marmell,2018-05-29 The Widdershins Adventures come to a thrilling conclusion in an action packed fantasy in which the young outlaw with a heart of gold and the pesky voice of a god in her ear returns home to face her destiny After almost a year away from the grand city of Davillon wandering thief Widdershins has finally come to terms with the pain and grief that drove her to leave When she returns all she can hope is that her old friends can forgive her hasty actions But even that may be too much to ask because home is not what it used to be The entire city is on edge with unrest and rumors of upheaval spreading through the darkened streets and Shins is shocked to discover that she already knows the person behind the strife all too well her dreaded nemesis Lisette Suvagne Thanks to an unholy bargain with otherworldly powers the vindictive Lisette is far more dangerous than before and far too formidable even for Shins and her personal god Olgun to confront alone Now for the sake of her friends her city and her own soul Shins must gather allies from every corner of Davillon lawful unlawful and seriously unlawful if she hopes to face the greatest challenge of her life Because the greatest challenge of Widdershins life might also be the end of it Remnants, Book One: Dust Ari Marmell,2022-11-08 For Flight Engineer

The Iron Devils Ari Marmell,2022-01-19 Born into the horrors of a post Pacification world Magdalena Suarez never expected much of a life A few decades at best in the slave camps until some injury or illness rendered her upkeep no longer efficient for her machine overseers and their rulers the all seeing Eyes Day after day of drudgery and servitude and on occasion danger as she and her fellow survivors went about their assigned tasks Except now something has changed Something anomalous has arisen from a lengthy slumber something even the machines cannot comprehend Something they with their artificial cameras and sensors cannot even see Something with impossible powers impossible strength Something ancient that hunts only in the dark of night Magdalena is about to discover a truth she never dared dream possible Things yet exist in the world that may be more powerful even than the machines For the first time in her life she might have reason to hope for something more But is this anomaly truly a potential escape or does it promise merely a new and even more horrific sort of servitude In the ruins of the world that was Magdalena and the last remnants of humanity will find themselves caught in an impossible war between the mechanical and the mystical between the unliving and the undead
