Rod Lloyd, 2023-01-01 Autobiography by D Rod Lloyd transitioning from an English background to a US adulthood Learn what small things growing up formed the basis of the man They say to truly know and understand a man you need to walk a mile in

his shoes Here is an opportunity to walk in my shoes and get to know me a little There have been many autobiographies written by famous people or those who have made some notable contribution making their story sought after I write this not as a famous or prominent person but as an average lad for those who are interested to see what my average life has consisted of and to truly see where I am coming from I wish my grandparents had written such a book for me to know them better In school I was the worst writer and speller Now I am writing as a published author This book has helped me understand my past and put all the pieces into perspective understand how each experience has affected and influenced my life Getting started was the hardest part Once I started writing I became addicted and consumed I couldn't stop It was almost like I needed to see where I came from and where it was taking me They say when you have a near death experience your life flashes before you Writing your own life story is a much more civilized way to get what I assume is the same experience It is a fascinating journey revisiting one's own life Our memories are stored in the mind as little pockets of isolated information Writing this book has allowed me to consolidate the memories into a logical and chronological order

House Flipping for Big Profits by an Old Pro D. Rod Lloyd, 2023-01-21 This book discusses buying a property for the sole purpose of remodeling it to resell commonly known as flipping This practice has been made popular by recent DIY programs on TV that tend to glamorize the process but make no mistake the process of house flipping is hard work very stressful and requires a lot of money and skill There are a couple of reasons why a person might want to flip a house The first reason is it is a historical or classical building and a person wants to do the project for the love of the building The second reason is TO MAKE MONEY I believe 99% or more fall into the latter and this book deals with this I will guide you through all the steps in buying your property the remodeling process and finally selling the project to make BIG PROFITS I go into every granular detail as I have been there and done that dozens of times Don't start a house flip without reading this book Includes Mobile Homes and Rental Property
