Dixieball Thomas Aiello, 2024-01-12 In *Dixieball* Thomas Aiello considers the cultural function of professional basketball in the Deep South between 1947 and 1979 Making a strong case for the role of race in this process Aiello ties the South's initial animus toward basketball to the same complex that motivated the region to sacrifice its own economic interests to the cause of white supremacy Fans of basketball as compared to other team sports were closer to the players who showed more of their bodies blackness than had more visibility in basketball than it had in other sports By the time Lyndon Johnson signed the Voting Rights Act in 1965 African Americans made up 47.5 percent of professional basketball players and despite integrating later than baseball and football it was fast becoming known as a black sport Over time survival for southern teams grew more tenuous fan support more fickle and racial incidents between players and fans more hostile Racism clashed

with civic development in a fast evolving region To identify the sources of this clash Dixieball locates the main points of intersection between professional basketball and the Deep South in the two decades prior to the region's first major franchise Aiello then takes readers to New Orleans where the first major Deep South professional basketball team the New Orleans Buccaneers was born and on to Atlanta Birmingham St Louis and others leading up to 1979 Scholars of sport and Southern history alike will find Dixieball a compelling contribution to the lively interdisciplinary discussions animating the Sport and Popular Culture series Radical History Review: Volume 55 Cambridge University Press,1993-04-08 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective RHR scrutinises conventional history and seeks to broaden and advance the discussion of crucial issues such as the role of race class and gender in history *Popular Mechanics* ,2002-09 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Elevating the Game** Nelson George,1999-01-01 Links the history of race relations to the history of basketball by reviewing the era of the first Black teams the first integration of teams and the innovations that Black players have brought to the game **A Reader's Book of Days: True Tales from the Lives and Works of Writers for Every Day of the Year** Tom Nissley,2013-11-04 Book connoisseur Tom Nissley has combed literary history to capture the stories that make writers' lives perennially fascinating their epiphanies embarrassments and achievements Each handsome page in A Reader's Book of Days is devoted to a day of the year featuring original accounts of events in the lives of great writers and fictional events that took place within beloved books Tomlin John Harris,2023-11-21 In 2007 at the age of thirty four Mike Tomlin was hired as the head coach of the Pittsburgh Steelers Replacing Hall of Famer Bill Cowher and two years removed from the team's Super Bowl XL victory there was immense pressure on the first year head coach who many fans and those in the media were largely unfamiliar with After five seasons as an assistant for the Tampa Bay Buccaneers and a single season as the defensive coordinator for the Minnesota Vikings the hiring came as a surprise to many From his first day at the helm numerous questions began to be asked Was this young coach able to lead a veteran team that still had championship hopes Could the newly hired soft spoken coach be able to fill the shoes of the great Cowher known for being brash and outspoken Was his hiring based solely on the Rooney Rule named after Steelers owner Dan Rooney which states that every team must interview at least one minority candidate for their open head coaching position Not only did Tomlin rise above the questions and criticism about his credentials he continued the franchise's reputation of excellence The youngest coach to win a Super Bowl in only his second season at the helm Tomlin has yet to have a losing record in sixteen seasons with the team He is also the second most tenured head coach in the league only behind Bill Belichick of the New England Patriots But the question still unanswered is who is Mike Tomlin Known for giving little to the media and keeping his

thoughts and opinions private those outside the locker room and Steelers offices know little about the future Hall of Fame coach Even as one of the most successful African American head coaches in NFL history and one that has handled numerous locker room personalities over the years much of what is written and reported about the coach is only above the surface That s where John Harris comes in A veteran journalist who covered Tomlin s hiring for the Pittsburgh Tribune Review Harris works to pull back the curtain on the mystique behind this coaching unicorn Beginning with his days as a wide receiver at William Mary his several years in the college coaching ranks to getting hired by Hall of Fame coach Tony Dungy with the Buccaneers and his single season with the Vikings Tomlin shares how a young man from Hampton Virginia was able to establish himself as a leader of men in a business with so much turnover earned the respect from his peers and players and has continued to be someone that is looked up to by so many in the league With interviews from former players coaches and executives Harris lets readers in on what it s like to play for Tomlin why he is or is not beloved in Pittsburgh and how his continued success has helped change the landscape of what NFL franchises look for in hiring a head coach All from a man that chooses to give all the success to his players and coaches past and present than take it for himself exactly what every franchise hopes for from the leader of their team *New York Times Saturday Review of Books and Art* ,1981
